**CALLY AND MISSY, TWO M** MISSY, 2013-02-21 I guess this is a good place to end this book as once again you are caught up with the most unusual life that Cally and I share with our unusual family However once again my life with Cally never seems to be dull anymore In fact my life with Cally has never been dull it is just more exciting since we got married almost a year ago Milly has been progressing very well as her sissy maid self under the direction of Miss T As well Molly seems to accept and even enjoy milly

better now Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them In other words if they do not like what Sir did and the District Attorney says it was wrong they just agree and give it no more thought I disobeyed a direct order from Cally for the very first time Cally let me know that that was unacceptable in a very painful and very humiliating way I don't think I will make that mistake again at least I hope not Cally and I went to the most unusual place in South America in cooperation with Lloyds of London the FBI and Interpol in an effort to find out why men were disappearing from FemDom Nation a community of Dominate women and male submissives FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males People from all over the world come there to enjoy their life style for a few days to a few weeks Submissive men can go their alone or with a dominate female Dominate women are welcome with or without a submissive male It was really a neat place and Cally and I had a very nice time However our time was cut short as a result of Sir getting arrested so we came home early and without meeting our objective in order to help out Sir and Ally Cally and I need to go back again to complete our mission but Cally decided to wait until after Thanksgiving

**Sissy Maid School Part II** Mistress Dede, 2015-01-26 Welcome to Course Two of your sissy maid training academy By now you should be incorporating some of your sissy maid duties that you learned from Course One into practice throughout your daily life So far you have learned the proper way a sissy maid dresses how to properly curtsey to your Mistress Master and the proper way a sissy maid cleans her dishes You are well on your way to making your dreams of becoming a proper little sissy maid a reality In Course Two you are going to be learning how to have a tea service the proper way to dust your house cleaning the bathroom like a real sissy maid how to properly set a table for dinner and much more After this course you will have plenty of daily weekly and monthly sissy maid tasks to work on Course Two should not only help you become more effeminate but it should also serve as a reference guide during your entire sissy transformation **Sissy Dreams:**
