I Once Was Lost Don Lemon, 2024-09-10 In a deeply personal follow up to his 1 bestseller This is the Fire What I Say to My Friends about Racism a modern media iconoclast faces a test of faith and reveals how such tribulations can make us stronger as individuals and as a nation Renowned journalist Don Lemon always had a complicated relationship with God He cherished the Southern Black church he was raised in but struggled with the fundamentalist rejection of his right to exist as a gay man one who wanted to marry his longtime love in a church wedding with all the traditional trimmings In his work as a reporter moreover he saw his fellow Americans losing faith in a higher power in institutions and in each other Setting out to understand the place that religion has in our lives today Don turned a journalistic eye on ancient stories and found connections that sparked memories conversations and chance encounters Then suddenly his world unraveled In a blaze of inglorious headlines Don was ousted from his high profile network news job and tasked with redefining his role in the shifting media landscape But through a year of personal changes and professional whiplash he kept his eyes on the prize and ultimately found what he was seeking grace within himself and in this nation we call home Rich with humor and Louisiana realness I Once Was Lost is a prayer for a country that reflects the multifaceted image of God and a clarion call to those who believe in our common humanity enough to fight for it
