Sissy Dad Training:

Needy Daddy's Sissies Leandra Camilli,2025-01-23 I've always been captivated by Daddy's presence the way he fills a room with an air of authority and his eyes seem to strip me bare It's not just about control it's about being claimed And now I'm completely under his care Daddy has remade me in his image molding me into a delicate flower that blooms for him alone He treats me like a precious possession one he needs to coddle and pamper Though he might still try to maintain a sense of distance when he's with me I'm his sweet girl And I've grown to love the way he holds me This collection includes the following stories Daddy's Sissy Academy Forbidden Sissy for my Girlfriend and Feminized by a VR Daddy **The**

speaker I said to myself If I had a father like he did I could have accomplished much more in my life The words barely came out of my mouth when I heard God say in my spirit Well you didn't have a father like he had but you can be a father like he had Those words spoken so clearly to me that day have prompted my efforts over the last forty years to try and be a good dad They were the genesis of this book I wish that I could say that I flipped a switch that day and was a great dad all of a sudden but that's not the way it played out I am better than I was but I am still not what I would like to be My prayer is that something may be said here that will challenge you to try to be a better dad As I said it is something of a process or maybe a journey would be a better way to describe it My advice Keep walking in the right direction Don't stop even when you fail and you will fail we all do just get back in there and keep on keeping on You have my love and prayers Feel free to connect with me on Facebook Bob
