**Red Boots Adventures** Heather Bradrick,2022-10-06 In 1905 there was more to an Oregon dairy and apple orchard than milking cows and picking apples Life was slower paced but never dull as mischievous ten yearold Josephine gets talked into a logrolling contest on Hood River by her brothers She is introduced to Native Americans and comes face to face with a mountain lion She is even in on planning the great escape to a forbidden barn dance with all her siblings Papa a Civil War veteran would never approve but he didn t need to know

Vikram Seth's Poetics of Pastiche Mélanie Heydari,2024-09-21 Vikram Seth is a critical enigma He is recognized as one of the most important Indian Anglophone authors of his generation his individual works have been widely reviewed yet his work has rarely been approached as a whole and remains surprisingly understudied Perhaps the chief reason for the paucity of critical response to the full compass of Seth s work is his disregard for intellectual fashion Indeed Seth is at once very popular and deliberately unfashionable His literary affiliations are conservative seemingly uninterested in any revisionary narrative he is equally unconcerned by the interpenetration of cultures in our globalized world representing assimilation rather than cultural difference He defies the expectations of both

postcolonial and world literature therefore to discuss his critical neglect is to shed light on the limitations of these labels As the most thorough attempt to map a general poetics in Seth s work this study the first of its kind on this writer develops a new critical methodology to capture the nuances of Seth s literary strategies It provides scholars and students insight into the key features of Seth s work and uncovers a consistent authorial strategy running through his seemingly disconnected body of work namely a systematic use of intertextual practices     Madras Jurist ,1872     Kander and Ebb James Leve,2009-03-01 Composer John Kander and lyricist Fred Ebb collaborated for more than forty years longer than any such partnership in Broadway history Together they wrote over twenty musicals Their two most successful works Cabaret and Chicago had critically acclaimed Broadway revivals and were made into Oscar winning films This book the first study of Kander and Ebb examines their artistic accomplishments as individuals and as a team Drawing on personal papers and on numerous interviews James Leve analyzes the unique nature of this collaboration Leve discusses their contribution to the concept musical he examines some of their most popular works including Cabaret Chicago and Kiss of the Spider Woman and he reassesses their flops as well as their incomplete and abandoned projects Filled with fascinating information the book is a resource for students of musical theater and lovers of Kander and Ebbs songs and shows     *The Year that Made the Musical* William A.
