Six Flags Employee Handbook:

Fundamentals of Employment Law Kerry E. Notestine, 2000 The Themed Space Scott A. Lukas, 2007-10-07 The Themed Space Locating Culture Nation and Self is the first edited collection focused on the significance of the theme space The first section of the text discusses the ways in which theming acts as a form of authenticity Included are articles on the theme park Dollywood the historic Coney Island the uses of theming in Flagstaff Arizona and the Las Vegas Strip Section two considers theming as a reflection of nation and its authors focus on Chinese theme parks and shopping malls the Lost City theme park in South Africa and the Ain Diab resort district in Casablanca The third section of the book illustrates how theming often targets the person whether famous or everyday The authors look at spaces ranging from the Liverpool John Lennon Airport love hotels in Japan and the Houston Texas theme park AstroWorld The final section emphasizes theming as a projection of the mind and psychology The authors focus on behind the scenes tourism at Universal Studios and the Ford Rouge Factory Tour the use of theming in unexpected spaces like Florida themed clinics theming in virtual reality spaces of video games and the social controversies related to theming in various parts of the world The book includes a comprehensive bibliography on theming and a list of key terms The Themed Space is of great interest to students of all levels and scholars of anthropology urban studies and sociology **Theme Park** Scott A. Lukas, 2008-12-01 Theme parks are a uniquely interactive and enduring form of entertainment that have influenced architecture technology and culture in surprising ways for more than a century as Scott Lukas now reveals in his compelling historical chronicle Theme Park takes the primitive amusements of pleasure gardens as its starting point and launches from there into a rich in depth investigation of the evolution of the theme park over the twentieth century Lukas examines theme parks in countries around the world including in the United States Mexico Europe Japan China South Africa and Australia and how themed fairs and parks developed through diverse means and in a variety of settings The book examines world famous and lesser known parks including the early parks of Coney Island Madrid's Movieworld a series of World Fairs and their luxurious exhibition halls Six Flags parks and virtual theme parks today and of course the unparalleled achievements of Disneyland and Disney World Lukas analyzes the theme park as a living entity that unexpectedly shapes people their relationships and the world around them Theme parks have now become complex representations of the human mind itself he contends through its interpretations of books feature films video games and Web sites Ultimately Theme Park reveals the wider influence of theme parks can be found in the shopping malls branded stores and casinos that employ the tricks and techniques of amusement parks to dominate our entertainment world today Packed with captivating illustrations Theme Park takes us on historical roller coaster ride that both reanimates the places that shaped our childhoods and anticipates the future of escapism and fantasy fun The Immersive Worlds Handbook Scott A. Lukas, 2013 Industry insider Scott Lukas teaches you how to design exciting believable authentic themed spaces Make your immersive worlds come alive with the gems in this book including key
