failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling

Resources in Education ,1999-04 *The Six Pack* Brad Balukjian,2024-04-02 From the bestselling author of The Wax Pack comes another eye opening road trip adventure into a pocket of iconic pop culture professional wrestling starring the Iron Sheik Hulk Hogan Tito Santana and many more larger than life characters of the WWF in the 1980s Perhaps one of the most truthful and enjoyable reads about my profession ever I absolutely loved this book Former WWF Champion Bret The Hitman Hart In 2005 Brad Balukjian left his position as a magazine fact checker to pursue a dream job partner with his childhood hero The Iron Sheik whose real name was Khosrow Vaziri to write his biography Things quickly went south culminating in the Sheik threatening Balukjian s life Now seventeen years later Balukjian returns to the road in search of not only a reunion with the Sheik but something much bigger truth in a world built on illusion Balukjian seeks out six of the Sheik s contemporaries fellow witnesses to the World Wrestling Federation s WWF explosion in the mid 80s to unearth their true identities As Balukjian drives 12 525 miles around the country we revisit the heady days when these avatars of strength

villainy and heroism first found fame and see where their journeys took them From working out with Tony Atlas Tony White to visiting Hulk Hogan s Terry Bollea karaoke bar we see where these men are now and how they have navigated the cliffs of fame The Six Pack combines the spirit of a fan with the rigor of an investigative reporter tracking down former WWF employees childhood friends and mutually curious archivists Wrestling is perceived as a subculture without a cultural home somewhere between sport and theater often dismissed as silly and low brow But what makes this book so compelling is the humanity beneath each wrestler The Iron Sheik Hulk Hogan and the rest of the cast were not characters in a comic book movie They were real people with families and feelings and bodies that could break Most of them did in fact break some have been repaired but none of them will ever be the same **Us, After: A Memoir of Love and Suicide** Rachel
