Who We Met on the Way to Stanford Richard P. Sinay,2024-08-09

In the fall of 2000 my son began attending Stanford on a golf scholarship It was a long and challenging road to achieve this goal

When he learned about the college he went around the house with his Stanford sweatshirt and seldom took it off

After winning the San Diego Junior World Golf Championship he was an accomplished junior golfer

Stanford s coach at the time was Wally Goodwin an excellent cheerful fellow who was also Tiger Woods s coach

Wally had seen the best golfers at Stanford so he was a coach who knew what he wanted in a player

He started following my son after this victory at the San Diego tournament and around the time he received a letter asking Wally if he would come to watch him play golf

Wally did he was there often to oversee this young man s development and golf

As a father I took my son to many golf tournaments

He was a joy to watch and did well as a junior golfer through high school

He even had the accomplishment of replacing Tiger Woods scoring record

Tiger s best score for the high school championships in Southern California was 66 but my son managed to shoot a 65 in his junior year in high school against players from five hundred and eighty six schools and other high schools

Many other delightful moments were watching my son play and good times I will not forget

One day while reading through some of my writings I came across some notes my son had sent me about appealing the dismissal of his scholarship

Reading the notes almost seventeen years later was a revelation to me I was

unaware of the time frames at the time of the essence of this story so I investigated the information further What I discovered became the basis of this book There were weeks of struggling with the time frames and difficulties understanding what happened in the struggle at Stanford The book is my way of putting together what I discovered What I found to be mostly true but not having been there myself I may not even know half the story Nevertheless this is my memoir of what it was like raising a kid with extraordinary talent playing golf and what happened when he arrived at Standford to fulfill his obligation for the scholarship he received *Afraid of All the Things* Scarlet Hiltibidal,2019-01-15 What does the gospel say about your fears What does it say about the irrational ones like sinkholes in the Target parking lot How does it speak to the rational ones like pet scan predictions And does the gospel have a word for the fears you feel you ll have for life like the possibility of losing the one you love most Growing up in the green room of SNL being born to a fire eater and adopted by a SWAT cop having internal organs explode and adopting a deaf girl from China Scarlet Hiltibidal has been given some strange life experiences and lived in fear through most of them But life changed for Scarlet when she learned to hold the gospel up to her fears She realized that though she can t fix herself or protect herself Jesus walked into this broken sad scary place to rescue love and cast out her and your fear Seeing life in light of the cross will help you avoid fear overcome fear when you can t avoid it and live beyond fear when you don t overcome it You don t have to be afraid of all the things Fostering Resilient Learners Kristin Souers,Pete Hall,2016-01-26 In this galvanizing book for all educators Kristin Souers and Pete Hall explore an urgent and growing issue childhood trauma and its profound effect on learning and teaching Grounded in research and the authors experience working with trauma affected students and their teachers Fostering Resilient Learners will help you cultivate a trauma sensitive learning environment for students across all content areas grade levels and educational settings The authors a mental health therapist and a veteran principal provide proven reliable strategies to help you Understand what trauma is and how it hinders the learning motivation and success of all students in the classroom Build strong relationships and create a safe space to enable students to learn at high levels Adopt a strengths based approach that leads you to recalibrate how you view destructive student behaviors and to perceive what students need to break negative cycles Head off frustration and burnout with essential self care techniques that will help you and your students flourish Each chapter also includes questions and exercises to encourage reflection and extension of the ideas in this book As an educator you face the impact of trauma in the classroom every day Let this book be your guide to seeking solutions rather than dwelling on problems to building relationships that allow students to grow thrive and most assuredly learn at high levels *Famous All Over Town* Bernie Schein,2014-09-16 This sweeping comic novel examines the public and private upheavals of life in a small Southern town from the Civil Rights era to the new millennium Famous All Over Town the first novel from Southern storyteller Bernie Schein is a comically candid multi generational account of two Jews a lowcountry native and a Northern transplant Their lives interweave through the momentous events of a sleepy coastal hamlet based on Schein s native Beaufort

South Carolina Schein's cast includes Southern Jewish lawyer Murray Gold and his foil displaced New York psychiatrist Bert Levy. There's also an emotionally scarred drill sergeant and his alluringly unconventional wife, a corrupt sheriff and his violent son, an African American madam and her two brilliant children, a fallen Southern belle, a transvestite Vietnam veteran, and many others. With their conflicted identities, burgeoning ambitions, and romantic entanglements, they live through the turbulent 1960s into the 1990s, confronting the ramifications of the civil rights era, Vietnam, Watergate, and closer to home, a deadly version of the infamous Ribbon Creek incident.
