The Rapture 2028: America's Countdown to Apocalypse! David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14

Gaitely, 2016-08-22 James Lee Burke developed the character of Cajun detective Dave Robicheaux through twenty mystery novels published over three decades Despite readers increasing interest in Detective Robicheaux his habits and preferences originate from a culture still unfamiliar to many of the books fans In Robicheaux s Roots Patricia M Gaitely explores the music food language and folklore of southwest Louisiana and illuminates the cultural sources that Burke incorporated into this gripping series Part of Robicheaux s appeal Gaitely shows rests in his connection to his hometown of New Iberia with its faults charm and reliance on the old ways Multiple cultural strands coexist in this region including Creole and Cajun French dialect African American folk sayings swamp pop zydeco and blues music and voodoo Catholicism evangelicalism and faith healing These aspects of Cajun life weave throughout Robicheaux s world The commingling of so many traditions provides multiple meanings for even the most common encounters water can be both natural element and medium between living and dead and gumbo jambalaya and crawfish may represent more than simply regional foods Additionally Gaitely demonstrates that beneath the pleasant veneer of southern hospitality a persistent legacy of violence and vengeance leaves a lasting mark on the lives of Robicheaux and the other characters Robicheaux s Roots reveals how elements of south Louisiana s culture signal a sense of belonging but also recall the area s history of isolation As a result readers gain a deeper understanding of Robicheaux himself and an enhanced appreciation for Burke s acclaimed series
