*MotorBoating* ,1967-05 Channel Crossing Sebastian Smith,2001 To the early Romans it marked the end of the world To the French it is simply La Manche or the sleeve But to the British it is the English Channel a powerful symbol and literal barrier defining an island nation Stirred by a news report of the replacement of Britain s last lighthouse keepers by computers Sebastian Smith quit his press agency desk job in spring 1999 to explore the vanishing way of life of those who live on and by the Channel Grippled by the stories he hears and the people he encounters he is seduced by the lure of the sea and determines to make his own journey across the Channel teaching himself to pilot and sail a tiny sea going dinghy

*One-design & Offshore Yachtsman* ,1972 **Working Holidays** ,1983 **Yachting** ,1996-07 *The Sea Takes No Prisoners* Peter Clutterbuck,2018-01-11 This is a classic real life story of derring do on the high seas complete with extreme risk last minute ingenuity and many near misses Beginning in the 1960s this book tells of the real life adventures of the author as a boy a time of boarding schools long holidays and an unbelievable to today s parents amount of freedom and danger Encouraged by his parents who lived abroad to become more independent and self sufficient Peter decided to see how far he could get in his family s small open dinghy Calypso Aged 16 he spent a winter restoring her before pootling straight out into a force 7 gale and very nearly capsizing after which he headed back to land to plan even more extreme adventures Calypso was a Wayfarer a small 16ft and very popular class of open dinghy a boat designed for pottering around coastlines and estuaries during the day But along with the occasional brave crewmate Peter managed to sail her across the Channel through the Bay of Biscay down the French canals and into the Mediterranean then up into the North Sea and the Baltic to Oslo living aboard for three months at a time These were some of the longest voyages that anyone had ever achieved in an open boat where as Peter says you have to be like a tightrope walker concentrating on balance day and night fully aware of the consequence of relaxing your vigilance He survived huge waves nine rudder breakages in heavy seas

dismasting capsizes and hallucinations caused by sleep deprivation He also managed it on a tiny budget working as a farm labourer hitchhiking everywhere and at times living on one meal of cereal a day to save the maximum amount for his boat Charming quite British in style beautifully written and a lovely insight into a seemingly golden time this is primarily a great read but will be of huge practical use to anyone wanting to go that bit further in their dinghy It also includes a lovely Foreword by world famous yachtsman Brian Thompson     **American Book Publishing Record** ,1968     **Yachting** ,1996-08     **Cruising World** ,1987-07     Cruising World ,1997-01
