**The Law Reports of the Incorporated Council of Law Reporting** Great Britain. High Court of Justice. King's Bench Division,1906     Kent's Commentary on International Law James Kent,1866     The Law Times ,1910     **Sex, Law, and Sovereignty in French Algeria, 1830-1930** Judith Surkis,2019-12-15 This is a masterful study of the ways in which sex and law were inextricably intertwined in the elaboration of French rule in Algeria Its great virtue is to demonstrate in careful detail with an impressive range of material from court records to novels exactly how the conquest of Algeria repeatedly challenged the very ideals of the secular universalism in whose name colonization was carried out Joan Wallach Scott author of *Sex and Secularism* During more than a century of colonial rule over Algeria the French state shaped and reshaped the meaning and practice of Muslim law by regulating it and circumscribing it to the domain of family law while applying the French Civil Code to appropriate the property of Algerians In *Sex Law and Sovereignty in French Algeria 1830 1930* Judith Surkis traces how colonial authorities constructed Muslim legal difference and used it to deny Algerian Muslims full citizenship In disconnecting Muslim law from property rights French officials increasingly attached it to the bodies beliefs and personhood Surkis argues that powerful affective attachments to the intimate life of the family and fantasies about Algerian women and the sexual prerogatives of Muslim men supposedly codified in the practices of polygamy and child marriage shaped French theories and regulatory practices of Muslim law in fundamental and lasting ways Women s legal status in particular came to represent the dense relationship between sex and sovereignty in the colony This book also highlights the ways in which Algerians interacted with and responded to colonial law Ultimately this sweeping legal genealogy of French Algeria elucidates how the Muslim question in France became and remains a question of sex

**Electrical Engineering** ,1914     Church Law Benjamin Whitehead,1911     The Digest of English Case Law John Mews,Edward Manson,1908     *A Digest of International Law as Embodied in Diplomatic Discussions, Treaties and Other International Agreements* John Bassett Moore,1906     Financial Support-Bargaining and the Anatomy of Four Major Crises Patrick Spread,2025-08-15 This book takes a detailed look at four major financial crises the twin crises of the South Sea Bubble in Britain and the Mississippi Bubble in France in 1720 the Great Crash of 1929 and the subsequent Great Depression and the Global Financial Crisis of 2007 9 It traces the evolution and causes of the crises by reference to a theory of support bargaining and money bargaining set out in earlier work but reintroduced here with specific reference to financial crises Two early chapters focus on theoretical issues The work of prominent theorists including John Law and J M Keynes is evaluated A fundamental problem of neoclassical theory is its failure to accommodate time disparities and consequent credit requirements in economic transactions This has necessitated theoretical separation of a real economy from financial markets The separation renders neoclassical economists blind to financial services and hence to the dynamics of financial crises In support bargaining and money bargaining the real economy and financial services are seamlessly linked The book shows how

the theory of support bargaining and money bargaining provides a clear and consistent explanation of the incidence of financial crises Since financial crises are not exceptional events the wider aim of the book is to convince social scientists that in explaining financial crises the theory of support bargaining and money bargaining provides also a superior explanation of the functioning of economies and societies in quieter times It will appeal particularly to those many economists who find the prevalent neoclassical model of economic transactions inconsistent with the observable functioning of economies
