History of the Russian Revolution Leon Trotsky, 2008 During the first two months of 1917 Russia was still a Romanov monarchy Eight months later the Bolsheviks stood at the helm They were little known to anybody when the year began and their leaders were still under indictment for state treason when they came to power You will not find another such sharp turn in history especially if you remember that it involves a nation of 150 million people It is clear that the events of 1917 whatever you think of them deserve study Leon Trotsky from History of the Russian Revolution Regarded by many as among the most powerful works of history ever written this book offers an unparalleled account of one of the most pivotal and hotly debated events in world history This book reveals from the perspective of one of its central actors the Russian Revolution s profoundly democratic emancipatory character Originally published in three parts Trotsky s masterpiece is collected here in a single volume It serves as the most vital and inspiring record of the Russian Revolution to date T he greatest history of an event that I know C L R James Justly celebrated as a towering vivid historically vital work China Mi ville October In Trotsky all passions were aroused but his thought remained calm and his vision clear His involvement in the struggle far from blurring his sight sharpens it The History is his crowning work both in scale and power and as the fullest expression of his ideas on revolution As an account of a revolution given by one of its chief actors it stands unique in world literature Isaac Deutscher

A Concise History of the Russian Revolution Richard Pipes, 2011-04-27 An authoritative history of the Russian Revolution and the violent and disruptive acts that created the first modern totalitarian regime portraying the crisis at the heart of the tsarist empire A deep and eloquent condemnation of the revolution and its aftermath The New York Times Drawing on archival materials released in Russia Richard Pipes chronicles the upheaval that began as a conservative revolt but was soon

captured by messianic intellectuals intent not merely on reforming Russia but on remaking the world He provides fresh accounts of the revolution s personalities and policies crises and cruelties from the murder of the royal family through civil war famine and state terror Brilliantly and persuasively Pipes shows us why the resulting system owes less to the theories of Marx than it did to the character of Lenin and Russia s long authoritarian tradition What ensues is a path clearing work that is indispensable to any understanding of the events of the century *Enquiring History: The Russian Revolution 1894-1924* Christopher Culpin,2012-08-24 Enquiring History It makes you think The OFSTED report on school history suggests that the current generation of A Level students have been poorly served by exam based textbooks which spoon feed students while failing to enthuse them or develop deeper understandings of studying History The Schools History Project has risen to this challenge with a new series for the next generation Enquiring History is SHP s fresh approach to Advanced Level History that aims To motivate and engage readers To help readers think and gain independence as learners To encourage enquiry and deeper understanding of periods and the people of the past To engage with current scholarship To prepare A Level students for university **The Hero in History** Sidney Hook,2008-12-01 Probes how heroes influence the course of history
