Your Childhood Dreams wasn't about dying. It was about the importance of overcoming obstacles of enabling the dreams of others of seizing every moment because time is all you have and you may find one day that you have less than you think. It was a summation of everything Randy had come to believe. It was about living. In this book Randy Pausch has combined the humor, inspiration, and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Summary of Randy Pausch & Jeffrey Zaslow's The Last Lecture Everest Media, 2022-03-26T22:59:00Z. Please note: This is a companion version, not the original book. Sample Book Insights: 1. I had been diagnosed with pancreatic cancer, but I was optimistic. I knew I could cancel the lecture, but I wanted to do it. I was energized by the idea of delivering a last lecture that was really a last lecture. 2. I had come to see the lecture as the last moment of my career, a way to say goodbye to my work family. I had always liked the final scene in *The Natural* when the aging bleeding ballplayer Roy Hobbs miraculously hits that towering home run. 3. I knew I didn't want the lecture to focus on my cancer, as I'd already been over it and over it. I wanted to focus on living and figure out what made me unique. 4. I had a sudden flash of insight in the waiting room of the hospital. I realized that my uniqueness came from the specific dreams that defined my 46 years of life. I had lived out these dreams because of things I had learned from extraordinary people.

**Quicklet on Randy Pausch, Jeffrey Zaslow's The Last Lecture** Christina St-Jean, 2012-02-24. ABOUT THE BOOK: I'd stumbled upon Randy Pausch, a youngish professor from Carnegie Mellon University, quite by accident in 2011. I'd been looking for a good PowerPoint presentation about time management, and the one he gave was deemed to be really interesting according to the Google searches I'd done. As I read the mini bio attached to the file, it occurred to me that I'd heard the name before, so I did some further searching and realized he had written *The Last Lecture*, which I'd heard so much about a few years ago. I immediately headed out and picked up a copy. As I read, I was stunned by the powerful simplicity of his writing. I had already watched *The Last Lecture* on YouTube as millions had during the time in which the presentation had gone viral, but I was surprised at the profound effect the book had on me. This was a man who, by all accounts, had everything going for him: a great job, that he loved; three very young children and a beautiful wife whom he adored. MEET THE AUTHOR: Christina St-Jean, an Ontario English teacher with a great passion for American literature in particular and the written word in general. Her two daughters, aged 3 and 7, also seem to have a love of books, as her 7-year-old just started reading *Tom Sawyer* herself. Christina follows global events as closely as she can but also enjoys entertainment news. Currently, she is working towards a black belt in karate. EXCERPT FROM THE BOOK: If anything, *The Last Lecture* showed to the world just how pervasive media attention is today. After the lecture itself became a YouTube sensation, Pausch made appearances on *The Oprah Winfrey Show* and *Prime Time Live* with Diane Sawyer, in addition to appearing on *Time*'s Top 100 list of the world's most influential people for 2008. He drew the attention of Katie Couric, *The Wall Street Journal*'s Jeffrey Zaslow, director J.J. Abrams, and none other than Captain Kirk himself, William Shatner. He testified before Congress to encourage more funding to be directed to

pancreatic cancer research and received a letter from the original President Bush Buy a copy to keep reading      *Summary: the Last Lecture* Abbey Beathan,2018-07-07 The Last Lecture by Randy Pausch Book Summary Abbey Beathan Disclaimer This is NOT the original book If you re looking for the original book search this link [http amzn to 2DPJqLR](http://amzn.to/2DPJqLR) If we were destined to perish tomorrow what would we want as our legacy How would your Last Lecture be The Last Lecture is not about dying it is about the dedication to overcome your obstacles and seizing every single moment of your life You could summarize it as carpe diem but it s not so simple The book is about the accumulation of the life of a brilliant man whom after facing terminal cancer notices he is near his last lecture the last mark he would leave And it can be a lesson to all of us to live like we were going to give our last lecture in order to make the most of it Note This summary is wholly written and published by Abbey Beathan It is not affiliated with the original author in any way We cannot change the cards we are dealt just how we play the hand Randy Pausch Pausch s book is a combination of inspiration intelligence and humor which is the reason why The Last Lecture was such a successful release A book to encourage living our lives and continue moving forward despite how grim the situation might be An inspirational tool to make you adopt an attitude of not giving up A book to encourage us to leave a memorable legacy P S The Last Lecture is an extraordinary book that will make you seize every moment as it is your last so you can enjoy life to the fullest P P S It was Albert Einstein who famously said that once you stop learning you start dying It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world Abbey Beathan s mission is to bring across amazing golden nuggets in amazing books through our summaries Our vision is to make reading non fiction fun dynamic and captivating Ready To Be A Part Of Our Vision Mission Scroll Up Now and Click on the Buy now with 1 Click Button to Get Your Copy Why Abbey Beathan s Summaries How Can Abbey Beathan Serve You Amazing Refresher if you ve read the original book before Priceless Checklist in case you missed out any crucial lessons details Perfect Choice if you re interested in the original book but never read it before FREE 2 Page Printable Summary BONUS for you to paste in on your office home etc Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book If you re looking for the original book search for this link [http amzn to 2DPJqLR](http://amzn.to/2DPJqLR) One of the greatest and most powerful gift in life is the gift of knowledge The way of success is the way of continuous pursuit of knowledge Abbey Beathan      American Indian Literature Alan R.
