

PRACTICE 5: Correcting Capitalization Errors in a Paragraph (page 13)

I enjoyed reading your paragraph. You are the first person from central America I have met. I was living in Chicago before I moved here last December. Until now, everyone in my English classes came from Asian countries, such as China, Thailand, and Vietnam, or from countries in the Middle East. I would like to know more about your goals. For example, I want to know how a nurse is different from a nurse practitioner. I would also like to know how many science classes you need to take after biology 101 to become a nurse practitioner. In your paragraph, you say that your only special talent is speaking Spanish, but I think you have other talents if you are going to work in the field of medicine. Your science classes will enable you to get a job, but being able to take care of others is a very special talent.
