Running with Scissors L.A. Witt, 2018-06 Eighteen months ago drummer Jude Colburn made the biggest mistake of his life when he walked away from his band just as they were on the brink of success Now he's got a second chance The band's bassist just quit and Jude plays bass almost as well as he plays drums The other band members aren't thrilled but they are desperate Running with Scissors needs him but there's one condition no hooking up with bandmates That's what ruined things eighteen months ago after all Jude's on board but no one warned him about the drummer who replaced him A J Palmer is shy and unassuming until he hits the stage He gets Jude's attention from the first beat and suddenly that no hookups rule isn't so easy to follow Keeping secrets on a tour bus isn't easy either and it's only a matter of time before the band catches on When everything hits the fan Jude has to choose a second chance at the career he's always regretted leaving or a shot at the man of his dreams This 82 000 word novel was previously published
