The Killer Inside:

The Killer Inside Me Jim Thompson, 2025-04-08 The deputy sheriff of a small Texas town hides a dark secret in this classic 1952 crime novel from the author of The Grifters Probably the most chilling and believable first person story of a criminally warped mind I have ever encountered Stanley Kubrick Everyone in the small town of Central City Texas loves Lou Ford A deputy sheriff Lou s known to the small time criminals the real estate entrepreneurs and the rest of his fellow townsmen as the nicest guy around He might not be the brightest or the most interesting man in town but he s the kind of officer you re happy to have keeping your streets safe But behind the platitudes and glad handing lurks a monster the likes of which few have seen A monster with a sickness that urges him to hurt others A sickness that almost got Lou put away when he was younger and that is about to surface again In The Killer Inside Me Jim Thomspon goes where few novelists have dared to go giving us a pitch black glimpse into the mind of a serial killer years before Charles Manson John Wayne Gacy or Bret Easton Ellis s American Psycho in a novel that will forever be known as his masterpiece A twisted tale told by a sociopath from his point of view How twisted This book leaves Silence of the Lambs in the dust Huffington Post
