**Clare Summerskill**

## **The Laramie Project Script:**

**The Laramie Project** Moisés Kaufman, 2001 For a year and a half following the murder of Matthew Shepard Moises Kaufman and his Tectonic Theater Project whose previous play *Gross Indecency* was hailed as a work of unsurpassed originality conducted hundreds of interviews with the citizens of Laramie Wyoming to create this portrait of a town struggling with a horrific event The savage killing of Shepard a young gay man has become a national symbol of the struggle against intolerance But for the people of Laramie both the friends of Matthew and those who hated him without knowing him the tragedy was personal In a chorus of voices that brings to mind Thornton Wilder's *Our Town* The Laramie Project allows those most deeply affected to speak and the result is a brilliantly moving theatrical creation Copyright Libri GmbH All rights reserved

The Laramie Project Moises Kaufman, 2010-01-13 On October 7 1998 a young gay man was discovered bound to a fence in the hills outside Laramie Wyoming savagely beaten and left to die in an act of hate that shocked the nation Matthew Shepard's death became a national symbol of intolerance but for the people of Laramie the event was deeply personal and it's they we hear in this stunningly effective theater piece a deeply complex portrait of a community

**The Laramie Project and The Laramie Project: Ten Years Later** Moises Kaufman, Tectonic Theater Project, Leigh Fondakowski, Greg Pierotti, Andy Paris, 2014-06-03 Two classic plays in a single volume One of the most performed theater pieces in America about the brutal murder of Matthew Shepard and the town in which it happened joined by an essential and moving sequel to the original play A terrific piece of theater history and life Nothing short of stunning A theatrical and human event New York magazine On October 7 1998 a young gay man was discovered bound to a fence outside Laramie Wyoming savagely beaten and left to die in an act of brutality and hate that shocked the nation Matthew Shepard's death became a national symbol of intolerance but for the people of the town the event was deeply personal In the aftermath Moises Kaufman and members of the Tectonic Theater Project went to Laramie and conducted more than 200 interviews with its citizens From the transcripts the playwrights constructed an extraordinary chronicle of life in the town after the murder In *The Laramie Project Ten Years Later* the troupe revisits the town a decade after the tragedy finding a community grappling with its legacy and its place in history The two plays together comprise an epic and deeply moving theatrical cycle that explores the life of an American town over the course a decade

**Trans Scripts Part I: The Women** Paul Lucas, 2019 Based on over seventy interviews conducted around the world by playwright Paul Lucas *Trans Scripts Part I The Women* is a compelling exploration of the lives of trans women as told in their own words These unique and compelling stories are honest funny moving insightful and inspiring but most of all they are human shedding light not on our differences but on what we all as humans share

Creating Verbatim Theatre from Oral Histories Clare Summerskill, 2020-09-13 Offering a roadmap for practicing verbatim theatre plays created from oral histories this book outlines theatre processes through the lens of oral history and draws upon oral history scholarship to bring best practices from that discipline to theatre practitioners This book

opens with an overview of oral history and verbatim theatre considering the ways in which existing oral history debates can inform verbatim theatre processes and highlights necessary ethical considerations within each field which are especially prevalent when working with narrators from marginalised communities. It provides a step by step guide to creating plays from interviews and contains practical guidance for determining the scope of a theatre project identifying narrators and conducting interviews developing a script from excerpts of interview transcripts and outlining a variety of ways to create verbatim theatre productions. By bringing together this explicit discussion of oral history in relationship to theatre based on personal testimonies the reader gains insight into each field and the close relationship between the two. Supported by international case studies that cover a wide range of working methods and productions including The Laramie Project and Parramatta Girls this is the perfect guide for oral historians producing dramatic representations of the material they have sourced through interviews and for writers creating professional theatre productions community projects or student plays.

Handbook of Oral History Thomas L. Charlton, Lois E. Myers, Rebecca Sharpless, 2008-03-13 In recent decades oral history has matured into an established field of critical importance to historians and social scientists alike. *Handbook of Oral History* captures the current state of the art identifies major strands of intellectual development and predicts key direct

*Thinking about Oral History* Thomas L. Charlton, Lois E. Myers, Rebecca Sharpless, 2007-10-15 A companion to *History of Oral History* *Thinking about Oral History* presents parts III and IV of *Handbook of Oral History* an essential resource for scholars and students. Guided by Charlton Myers and Sharpless the prominent authors capture the current state of the art in oral history and predict key directions for future growth in theory and application.

Arts-Based Teaching and Learning in the Literacy Classroom Jessica Whitelaw, 2019-05-01 This book highlights the unique and co generative intersections of the arts and literacy that promote critical and socially engaged teaching and learning. Based on a year long ethnography with two literacy teachers and their students in an arts based public high school this volume makes an argument for arts based education as the cultivation of a critical aesthetic practice in the literacy classroom. Through rich example and analysis it shows how over time this practice alters the in school learning space in significant ways by making it more constructivist more critical and fundamentally more relational.

Out ,2001-10 Out is a fashion style celebrity and opinion magazine for the modern gay man

**The Memory Marketplace** Emilie Pine,2020-06-30 What happens when cultural memory becomes a commodity Who owns the memory In The Memory Marketplace Emilie Pine explores how memory is performed both in Ireland and abroad by considering the significant body of contemporary Irish theatre that contends with its own culture and history Analyzing examples from this realm of theatre Pine focuses on the idea of witnesses both as performers on stage and as members of the audience Whose memories are observed in these transactions and how and why do performances prioritize some memories over others What does it mean to create rehearse perform and purchase the theatricalization of memory The Memory Marketplace shows this transaction to be particularly

fraught in the theatricalization of traumatic moments of cultural upheaval such as the child sexual abuse scandal in Ireland In these performances the role of empathy becomes key within the marketplace dynamic and Pine argues that this empathy shapes the kinds of witnesses created The complexities and nuances of this exchange subject and witness spectator and performer consumer and commodified provide a deeper understanding of the crucial role theatre plays in shaping public understanding of trauma memory and history *Teaching, Affirming, and Recognizing Trans and Gender Creative Youth* sj Miller,2016-06-21 Winner of the 2018 Outstanding Book by the Michigan Council Teachers of English Choice magazine as an Outstanding Academic Title for 2018 Winner of the 2017 AERA Division K Teaching and Teacher Education Exemplary Research Award This book draws upon a queer literacy framework to map out examples for teaching literacy across pre K 12 schooling To date there are no comprehensive Pre K 12 texts for literacy teacher educators and theorists to use to show successful models of how practicing classroom teachers affirm differential a gender bodied realities across curriculum and schooling practices This book aims to highlight how these enactments can be made readily conscious to teachers as a reminder that gender normativity has established violent and unstable social and educational climates for the millennial generation of lesbian gay bisexual transgender intersex a gender a sexual gender creative and questioning youth

Posttraumatic Culture in Spanish and Latin American Theater Henry James Morello,2025-01-18 In the twentieth century Argentina Chile and Spain suffered dictatorships marked by disappearances torture and murder which left wounds that in some cases have yet to heal Moving these public wounds into the realm of performance many playwrights sought to address these national traumas by creating what I call posttraumatic theater This book argues that these plays attempt to represent national crises by taking on stylistic features that mimic the symptoms of posttraumatic stress disorder Drawing on trauma studies clinical psychology and neuroscience Masking the Past examines the commonalities in posttraumatic theater to create a coherent theoretical foundation by which we can explore other cultural products that arise in response to traumatic events

**What Schools Ban and Why** R. Murray Thomas,2008-06-30 This book seeks to describe the various things banned in schools the reasons behind attempts to ban such things the types of people who approve of censoring those things and the types who do not the outcome of representative cases of censorship and suggestions for school personnel about how to cope with bans Each chapter addresses the same sequence of topics a particular type of ban s domain and historical background representative cases of the ban s application ban supporters and their methods ban critics and their methods and ways of resolving conflicts over the ban

**Learning to Perform** Carol Simpson Stern,Bruce Henderson,2010-06-30 In Learning to Perform Carol Simpson Stern and Bruce Henderson introduce the art and craft of performing literary texts including poetry prose fiction and drama as well as personal narratives and ethnographic materials They present a performance methodology that offers instruction in close reading and analysis the development and refinement of performance skills and the ability to think critically about and discuss a performance As students become reacquainted with

the world of the imagination and its possibilities the insights they gain in the classroom can become the basis for achievement not only on the stage or in front of the camera but in many facets of public life By addressing an expanded sense of text that includes cultural as well as literary artifacts Stern and Henderson bridge the gap between oral interpretation and the more inclusive field of performance studies A substantial appendix provides a dozen texts for performance in the classroom including works by Jane Hamilton Willa Cather Henry James E M Forster Henrik Ibsen Jane Austen and Michael S Bowman Book Jacket

**The Oxford Handbook of Qualitative Research** Patricia Leavy, 2020-09-07 The Oxford Handbook of Qualitative Research Second Edition presents a comprehensive interdisciplinary overview of the field of qualitative research Divided into eight parts the forty chapters address key topics in the field such as approaches to qualitative research philosophical perspectives narrative inquiry field research and interview methods text arts based and internet methods analysis and interpretation of findings and representation and evaluation The handbook is intended for students of all levels faculty and researchers across the disciplines and the contributors represent some of the most influential and innovative researchers as well as emerging scholars This handbook provides a broad introduction to the field of qualitative research to those with little to no background in the subject while providing substantive contributions to the field that will be of interest to even the most experienced researchers It serves as a user friendly teaching tool suitable for a range of undergraduate or graduate courses as well as individuals working on their thesis or other research projects With a focus on methodological instruction the incorporation of real world examples and practical applications and ample coverage of writing and representation this volume offers everything readers need to undertake their own qualitative studies

*Dying to Be Normal* Brett Krutzsch, 2019-02-01 On October 14 1998 five thousand people gathered on the steps of the U S Capitol to mourn the death of Matthew Shepard a gay college student who had been murdered in Wyoming eight days earlier Politicians and celebrities addressed the crowd and the televised national audience to share their grief with the country Never before had a gay citizen's murder elicited such widespread outrage or concern from straight Americans In *Dying to Be Normal* Brett Krutzsch argues that gay activists memorialized people like Shepard as part of a political strategy to present gays as similar to the country's dominant class of white straight Christians Through an examination of publicly mourned gay deaths Krutzsch counters the common perception that LGBT politics and religion have been oppositional and reveals how gay activists used religion to bolster the argument that gays are essentially the same as straights and therefore deserving of equal rights Krutzsch's analysis turns to the memorialization of Shepard Harvey Milk Tyler Clementi Brandon Teena and F C Martinez to campaigns like the It Gets Better Project and national tragedies like the Pulse nightclub shooting to illustrate how activists used prominent deaths to win acceptance influence political debates over LGBT rights and encourage assimilation Throughout Krutzsch shows how in the fight for greater social inclusion activists relied on Christian values and rhetoric to portray gays as upstanding Americans As Krutzsch demonstrates gay activists regularly reinforced a white Protestant vision

of acceptable American citizenship that often excluded people of color gender variant individuals non Christians and those who did not adhere to Protestant Christianity s sexual standards The first book to detail how martyrdom has influenced national debates over LGBT rights *Dying to Be Normal* establishes how religion has shaped gay assimilation in the United States and the mainstreaming of particular gays as normal Americans *Without a Vision the People Perish* Steven Deace, 2007-06 According to the author Americans are a confused people who want to post the Ten Commandments in public but often don t live by them in their private lives He urges this generation to get back to basics and boldly proclaim the vision of grace found only in the transforming truth of the Word of God Christian
