**The Making of A Man** Michael Norman,2017-11-02 In Genesis 1:26 God said Let us make man There are many opinions on who God was speaking to We must determine the following Is the Holy Spirit necessary in the making of a man Is the making of a man as defined by the scholars of Funk let us reason and think and look very close to formulate a conclusion looking at the results history now affords us Biblical principles aside most would agree man has the ability to apply the wisdom needed from the knowledge gained in his own little world or does he Although as a society we have chosen to throw the making of a man to the wind and a willingness to allow many to just fall by the wayside ignoring and changing the actual definition Can we now individually change our direction and set standards back in society Can we attain the biblical understanding of a real man Let us take a close look at a couple of men one being this man called Jesus who was said to have been a perfect man Although his devotion and attentiveness as a man to deity was his focus making it difficult to separate the two it is his methods and actions his character and integrity his moral standards and judgments we will examine Our hope is to separate the man from his spiritual philosophy which is the inquiry into the most comprehensive principles of reality To do just that and gain the principles morals and character that defines the man Our focus will be on the man from the standpoint of a man as defined by man Our hope is to shed some light

**The Making of a Man** Cliff LeClerc,2013-08 A family conflict provides a superb example of right versus wrong of moral correctness ultimately triumphing over deceit and corruption Captivating

events that appear to bring only persecution and death reveal an unexpected conclusion as Tomas Zurbriggen's son is kidnapped by a Columbian drug cartel. Tomas Zurbriggen, the central character in this story, is charming, contemplative, and hard working while being deceitfully manipulative. Tomas did everything both right and wrong with great zeal, a trait that if not harnessed would become his downfall. Tomas had a twin brother, Marcus, who was his polar opposite. Tomas' perpetual desire to succeed and Marcus' irresponsible approach to life clashed as a result of Tomas' scheming tactics. This led to a family estrangement. An exile that continued for many years and wasn't resolved until an international incident brought the family back together. Opening this book will be like looking in a mirror that causes you to stop, evaluate, and redirect your future. It matters not whether you are male or female, young or old. The characters in this story experience many of the same trials that all of us face as we go about our daily life. The beauty of reading about someone else's struggles and their impact is that it gives the opportunity to learn from them without experiencing the results of bad decisions. It is the decisions surrounding these events that contribute to the making of a man.
