The Isis Crisis What You Really Need To Know:

The ISIS Crisis Charles H. Dyer, Mark Tobey, 2015-01-15 With ISIS on the rise what do we need to know ISIS a name that inspires fear a group that is gaining momentum Horrors unheard of are plaguing the Middle East and ISIS may be responsible for the worst among them And yet there is so much we don't know about ISIS Where did ISIS come from How is ISIS distinguished from other terrorist groups Could ISIS play a role in the end times What does ISIS mean for Israel What impact could these events have on the United States How should believers respond In *The ISIS Crisis* authors Charles Dyer and Mark Tobey answer these questions and more Drawing from history current events and biblical prophecy they guide readers through the matrix of conflicts in the Middle East Then they explore the role of ISIS in all of these matters Finally they encourage Christians to look to Jesus the Prince of Peace

Is This the End? Bible Study Guide Dr. David Jeremiah, 2016-10-04 We have almost become immune to the reality of today's headlines from terrorism to natural disasters to political upheavals to refugees to disease to nuclear threats to failing economies and the list goes on People are thinking and asking Is this the end Nobody can answer that question specifically In fact Jesus warned about setting dates for the end of the age But this we can say Never have so many world level events developed so rapidly and with such catastrophic implications These events bring to mind the apostle Paul's words about birth pangs before the end of the age In *Is This the End Study Guide* Pastor David Jeremiah looks at ten major developments in America and the world that almost defy imagination Just a few years ago nobody could have imagined the things we hear about daily in the news We need to understand these events what they are what the Bible says about them and how we should respond as followers of Christ Follow Dr Jeremiah as he unfolds five developments in America and five developments on the international stage all of which beg the question Is this the end

International Law and the War with Islamic State Saeed Bagheri, 2021-07-15 Armed non state actors ANSAs often have economic aims that international law needs to respond to This book looks at the aim of Islamic State to create an effective government with an economically independent regime which focused on key oilfields in Syria and Iraq Having addressed Islamic State's quest for energy resources in Iraq and Syria the book explores the lawfulness of the war with Islamic State from a variety of legal aspects It has been attempted to make inroads into the most controversial aspects of contradictions in the application of jus ad bellum and jus in bello particularly when discussing the use of extraterritorial armed force against ANSAs and the obligation to protect civilian objects including the natural environment The question is whether the targeting of energy resources should be regarded as a violation of the laws of armed conflict even though the war with Islamic State being classified as a non international armed conflict Ambitious in scope the study argues that legal theory and state practice are still problematic as to how and under what conditions states can justify resorting to military force in foreign territory and to what extent they can target natural resources as being part of state property Furthermore it goes on to examine the differences between international and non international armed conflicts to

establish whether there is any difference in the targeting of energy resources as part of the war sustaining capabilities of either party Through an examination of the Islamic State case the book offers a comprehensive study to close the gaps in jus in bello by contextualising the questions of civilian protection victimisation and state responsibility by evaluating the US war sustaining theory as a justification for the destruction of a territorial state s natural resources that are occupied by ANSAs

The Handbook of Iraqi People's Heritage Mariz Tadros, Shivan Shlaymoon Toma, Juwan Mohammed M. Mahdi Almofti, Wafaa Sabah Khuder, Saaed A. Saaed Majdal, Zubeida Salih Abdulkhaliq, Charley Howman, 2025-02-25 Iraq is a land of rich and diverse cultural heritage shaped by thousands of years of history As a crossroads of civilisations the country bears the marks of many cultures beliefs and religions each leaving a distinct imprint on its people and landscape However there are many groups and communities marginalised on religious ethnic linguistic and cultural grounds in Iraq It is the heritage of such marginalised groups that is most at risk of disappearance The Handbook of Iraqi People s Heritage is the result of a collaboration between the Institute of Development Studies IDS UK and the University of Duhok in the Kurdistan Region of Iraq It is the fulfilment of a vision of heritage gathering and preservation that would not have been possible without the heroic efforts of the heritage gatherers the young women and men who sought out the histories traditions practices and places that constitute the heritage of their own respective communities Personal narratives and excerpts from individuals interviewed provide rich content for the chapters that feature nine communities the Armenians the Assyrians the Chaldeans the Kakeys the Sabeen Mandaean the Shabak the Syriac Orthodox the Turkmen of Tal Afar and the Yazidis The Handbook looks at the living heritage in the day to day life and activities of both individuals and communities Traditions and practices reveal the deep cultural significance in the daily activities surrounding food and drink music clothing and language and education Similarly there are the traditions focused around festivals religious holidays rituals feasts celebrations and remembrance Heritage is what is so meaningful in our lives that we choose to pass it on to the generations to come Reaching beyond buildings and belongings there is also the intangible heritage reflected in oral histories traditions and practices and personal and collective memories This Handbook reflects the remarkable resilience and enduring strength of all the communities featured Their continued preservation of collective memories traditions and history despite the hardships is testament to the communities themselves

[Evangelical Christian Responses to Islam](#) Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential

threat to Christians through to welcoming them as good neighbours or even as close cousins **ISIS, Iran, Israel** Mark Hitchcock,2016-05-01 What s Next for the Middle East and How Will It Affect Us Iran has repeatedly declared its intention to destroy Israel ISIS continues to gain ground leaving a trail of death and terror in its wake And Russia is inserting itself into Middle Eastern affairs in a power play prophesied long ago ISIS Iran Israel is an updated edition of the book Iran and Israel by prophecy scholar Mark Hitchcock with all new information on ISIS Russian involvement in Syria and Iran and the state of relations between Israel and Iran Hitchcock brings a strong biblical perspective to the latest conflicts while answering important questions such as Where did ISIS come from and why are its tactics so brutal Are we on the road to the Apocalypse Will there ever be peace in the Middle East What can we expect in the days to come How are events in the Middle East affecting America today An eye opening survey of where things stand and how it all ties in with Bible prophecy **Nothing is Forbidden, Right?** Queen-of-Sarcasm18, Some things were unattainable or rather forbidden Lex Greyson fell squarely into that category And from Isis perspective indulging in forbidden fruits always led to pain and suffering and she was prepared to bear the backlash That would be less painful than staying away from him 30 Days in the Land of the Psalms Charles H. Dyer,2017-05-02 Read Psalms in full color The psalms are among the church s finest treasures a collection of writings where many find solace comfort and hope Yet some psalms remain locked in a sense containing references to places and objects modern readers have never seen and can t picture Until now From author and renowned Israel expert Dr Charles H Dyer comes a devotional that brings selected psalms to life Each entry features a beautiful full color photo of a Holy Land site a suggested reading from Scripture and a reflection that incorporates Dr Dyer s knowledge of the land Plus the hardcover binding and ribbon marker make it a wonderful gift or bedside read Some selections include God Is My Masada Psalm 18 The City of Our God Psalm 46 A Song from the Wilderness Psalm 90 A Song for the Mount of Olives Psalm 118 Solitary Prayers in Lonely Places Psalm 120 30 Days in the Land of the Psalms is a one month devotional that will take readers on an extended journey to Israel and into the book of Psalms **The Four Speeches Every Leader Has to Know** Bård Norheim,Joar Haga,2019-05-21 This book provides a rhetorical manual for political and business leaders to motivate followers even in times of hardship It covers the fine art of persuasion and argues that there are four speeches every leader has to know the opening speech the executioner speech the consolation speech and the farewell speech The authors explore how leaders could speak in order to appear credible to an audience and they argue that the leader has to take on suffering and give meaning to the suffering people experience The book analyzes speeches from a wide variety of speakers including Sir Winston Churchill Barack Obama Nelson Mandela and Angela Merkel and ends with a rhetorical dictionary for leaders to help readers familiarize themselves with helpful terms from rhetorical theory Assad's Abhorrent Chemical Weapons Attacks United States.
