The Last Days Let Scripture Be Your Guide:

The Last Days Linda Sander, James Sander, 2014-12-30 End times Scripture passages seem confusing so we too often turn to other sources We go to conferences watch movies and hear experts speak about the end times but when we sit down to look for the same teaching in our Bibles we are often disappointed or confused If asked to explain a particular view about the rapture and tribulation we are likely to refer to a fictional book we have read or a movie we have watched or a chart we have seen Most Christians are unable to explain their view about the end times from the Bible We say the Bible is our authority yet in actuality it is books and movies and charts that are our authority In contrast The Last Days Let Scripture Be Your Guide uses end times Scripture passages to develop a straightforward understanding about the last days It shows it is possible to develop one's view about the end times from the Bible without being disappointed or confused This book presents a straightforward discussion of Matthew 24 25 and Revelation along with passages from I and II Thessalonians and Daniel so that readers can clearly understand the events from a Biblical standpoint The Last Days Let Scripture Be Your Guide is for the average layman who wants to be able to understand from Scripture the end times sequence of events yet its reasoned and expositional approach will also appeal to scholars

No Authority Except from God John Pistorius,2021-10-13 It is written that a ruler will emerge to rule the entire world and place all into submission Nobody will be able to buy or sell anything without being marked by this ruler In turbulent times everyone must understand the source of all authority and the biblical grounds of obedience and submission to human authorities This book combines biblical evidence with historical records and personal experience to shine light on the truth about obeying and submitting to human powers As you read you ll get answers to questions like Must we surrender our beliefs our faith and our moral ground to human authorities What does God say about submitting to human authorities What does the Bible tell us about the leader that will take control during the end times How can those in authority use their power to properly honor Him Even now as the world has been besieged by a new virus strain God s people must weigh every order and mandate with biblical truth The enemy of souls will twist the truth to suit his own agenda As we respond we must trust in God s Word and remember there is No Authority Except From God

Eschatology 101 Robert J. Cottle, 2023-07-19 When will the Antichrist appear? What is the Biblical timing of the Rapture? Who is the Beast and the False Prophet? What happens during the Millennial reign of Christ? All these questions and many more are plainly answered within the pages of this book. Eschatology is the study of Scripture that pertains to the period on earth prior to the Lord's return, the Rapture of the Church, the Antichrist and his kingdom, God's judgment on unsaved man, the Millennium reign of Christ, the final destruction of Satan, the White Throne judgment. This book answers all these points, not based on the reasoning of man but on what the word of God says. What it reveals may

surprise and challenge you Much of the book is written expository style by providing the scripture then adding commentary My Holy Spirit led study of eschatology over the past thirty years has made me understand that while some Bible verses individually may appear vague or open to conjecture a clearer understanding always matures when the whole of scripture is taken into account Within this book I have been deliberate to allow God s Word to speak for itself and not to instil personal bias
