D.** James Boswell,1821 **The Life of Samuel Johnson, LL.D.** Sir John Hawkins,2011-08-15 This is the first and only scholarly edition of Sir John Hawkins s Life of Samuel Johnson LL D a work that has not been widely available in complete form for more than two hundred years Published in 1787 some

four years before James Boswell's biography of Johnson Hawkins's *Life* complements, clarifies and often corrects numerous aspects of Boswell's *Life*. Samuel Johnson 1709-84 is the most significant English writer of the second half of the eighteenth century; indeed, this period is widely known as the Age of Johnson. Hawkins was Johnson's friend and legal adviser and the chief executor of his will. He knew Johnson longer and in many respects better than other biographers, including Boswell, who made unacknowledged use of Hawkins's *Life* and helped orchestrate the critical attacks that consigned the book to obscurity. Sir John Hawkins had special insight into Johnson's mental states at various points in his life: his early days in London; his association with the *Gentleman's Magazine*; and his political views and writings. Hawkins's use of historical and cultural details, an uncommon literary device at the time, produced one of the earliest life-and-times biographies in our language. The Introduction by O. M. Brack Jr. covers the history of the composition, publication, and reception of the *Life* and provides a context in which it should be read. Annotations address historical, literary, and linguistic uncertainties, and a full textual apparatus documents how Brack arrived at this definitive text of Hawkins's *Life*.

About The Book
 JAMES BOSWELL *The Life of Samuel Johnson* LL.D. James Boswell, born on October 18, 1740, was the son of Alexander Boswell of Auchinleck, better known as Lord Auchinleck, one of the senators of the College of Justice or Supreme Court of Scotland. Boswell was educated at Edinburgh and Utrecht universities and was called both to the Scots and the English Bar. He was early interested in letters and while still a student published some poems and magazine articles. Boswell was introduced to Dr. Johnson on May 16, 1763. The friendship rapidly ripened and from 1772 to the death of the illustrious moralist was unbroken. As an introduction to *The Life of Samuel Johnson* LL.D., perhaps the greatest of all biographies we can hardly do better than use the words of the biographer himself: To write the life of him who excelled all mankind in writing the lives of others, and who, whether we consider his extraordinary endowments or his various works, has been equalled by few in any age, is an arduous and may be reckoned in me a presumptuous task. But as I had the honour and happiness of enjoying Dr. Johnson's friendship for upwards of twenty years, as I had the scheme of writing his life constantly in view, as he was well apprised of this circumstance, and from time to time obligingly satisfied my inquiries by communicating to me the incidents of his early years, and as I have spared no pains in obtaining materials concerning him, I flatter myself that few biographers have entered upon such a work as this with more advantages independent of literary abilities, in which I am not vain enough to compare myself with some great names who have gone before me in this kind of writing. *The Life* was a signal success at the

time of its publication and even yet is unrivalled in the field of biography Boswell latterly resided permanently in London and was proprietor of and principal contributor to the London Magazine He died in his house in Great Portland Street on May 19 1795 For more eBooks visit www.kartindo.com
