**The Man in the Iron Mask Be Annotated** Alexandre Dumas, 2020-05-11 In the beginning there was *The Three Musketeers* Next there was *Twenty Years After* Finally there was *The Vicomte de Bragelonne* Together the three books are known as

Alexandre Dumas's D'Artagnan Romances and cover many years of adventures and swordfights chronicling the lives of four Musketeers. The books were originally published in serial form meaning they appeared one chapter at a time in the Parisian newspaper *Le Siècle*. This explains why Dumas's chapters are fairly self-contained and tend to end with a cliff hanger. He needed to retain readers. You can think of the serial form as the 18th century equivalent of a weekly sitcom that keeps the attention of its audience from one week to the next. When *The Vicomte de Bragelonne* was put together for publication in book form, English translators took one look and realized it was too long. They typically break it up into smaller volumes, sometimes three, sometimes four. No matter how they slice it, they always entitle the last chunk *The Man in the Iron Mask*.

**The Man in the Iron Mask** Alexandre Dumas, 2024-01-30. The third novel *The Vicomte de Bragelonne* serialized October 1847-January 1850 has enjoyed a strange history in its English translation. It has been split into three, four, or five volumes at various points in its history. The five-volume edition generally does not give titles to the smaller portions, but the others do. In the three-volume edition, the novels are entitled *The Vicomte de Bragelonne*, *Louise de la Vallière*, and *The Man in the Iron Mask*. For the purposes of this e-text, I have chosen to split the novel as the four-volume edition does with these titles: *The Vicomte de Bragelonne*, *Ten Years Later*, *Louise de la Vallière*, and *The Man in the Iron Mask*. In the first three e-texts, *The Vicomte de Bragelonne*, E-text 2609, it is the year 1660 and D'Artagnan, after thirty-five years of loyal service, has become disgusted with serving King Louis XIV while the real power resides with the Cardinal Mazarin and has tendered his resignation. He embarks on his own project that of restoring Charles II to the throne of England and with the help of Athos succeeds in earning himself quite a fortune in the process. D'Artagnan returns to Paris to live the life of a rich citizen and Athos, after negotiating the marriage of Philip, the king's brother, to Princess Henrietta of England, likewise retires to his own estate, La Fère. Meanwhile, Mazarin has finally died and left Louis to assume the reigns of power with the assistance of M. Colbert, formerly Mazarin's trusted clerk. Colbert has an intense hatred for M. Fouquet, the king's superintendent of finances, and has resolved to use any means necessary to bring about his fall. With the new rank of intendant bestowed on him by Louis, Colbert succeeds in having two of Fouquet's loyal friends tried and executed. He then brings to the king's attention that Fouquet is fortifying the island of Belle Île en Mer and could possibly be planning to use it as a base for some military operation against the king. Louis calls D'Artagnan out of retirement and sends him to investigate the island, promising him a tremendous salary and his long-promised promotion to captain of the musketeers upon his return. At Belle Île, D'Artagnan discovers that the engineer of the fortifications is in fact Porthos, now the Baron du Vallon, and that's not all. The blueprints for the island, although in Porthos's handwriting, show evidence of another script that has been erased: that of Aramis. D'Artagnan later discovers that Aramis has become the bishop of Vannes, which is coincidentally a parish belonging to M. Fouquet. Suspecting that D'Artagnan has arrived on the king's behalf to investigate, Aramis tricks D'Artagnan into wandering around Vannes in search of Porthos and sends Porthos on a heroic ride back to Paris to warn Fouquet of the danger. Fouquet rushes to the

king and gives him Belle Isle as a present thus allaying any suspicion and at the same time humiliating Colbert just minutes before the usher announces someone else seeking an audience with the king Ten Years Later Etext 2681 As 1661 approaches Princess Henrietta of England arrives for her marriage and throws the court of France into complete disorder The jealousy of the Duke of Buckingham who is in love with her nearly occasions a war on the streets of Le Havre thankfully prevented by Raoul s timely and tactful intervention After the marriage though Monsieur Philip becomes horribly jealous of Buckingham and has him exiled Before leaving however the duke fights a duel with M de Wardes at Calais De Wardes is a malicious and spiteful man the sworn enemy of D Artagnan and by the same token that of Athos Aramis Porthos and Raoul as well Both men are seriously wounded and the duke is taken back to England to recover Raoul s friend the Comte de Guiche is the next to succumb to Henrietta s charms and Monsieur obtains his exile as well though De Guiche soon effects a reconciliation The Man in the Iron Mask "Annotated Edition" Alexandre Dumas,2021-04-06 1661 France Louis XIV is the King of France He is young clever and powerful His Chief Minister of Finance Nicolas Fouquet has built a beautiful house near Vaux Fouquet has invited the king and six thousand guests to the house for a great feast Aramis the Bishop of Vannes will be a guest at the feast The bishop s old friends Porthos and D Artagnan are also going to Vaux The Musketeers will be together again But first Aramis visits the terrible Bastille prison Why This is the story of the last adventure of the Musketeers **The Man in the Iron Mask Annotated Best Novel** Alexandre Dumas,2020-05-10 The Man in the Iron Mask is set thirty five years after the initial appearance of The Three Musketeers Here the main characters Athos D Artagnan Aramis and Porthos are in the court of King Louis XIV D Artagnan was not one of the three at the onset of the Musketeers adventures Iron Mask is the darkest tale of the Musketeers trilogy The story gets underway at the Bastille a French prison Aramis a priest and former Musketeer is hearing the confession of the prisoner Philippe There is nothing for the man forced to wear an iron mask to confess as being the twin brother of the King of France is all he is guilty of Aramis is one of the only people aware of this and hopes to free the prisoner and trade him for the real king He is planning this with the hope of great rewards once the prisoner becomes the imposter king Once he has explained to a somewhat skeptical Philippe that by going through with the plot they will be able to achieve much together Philippe agrees Aramis decides to make the switch happen at a gala thrown by Fouquet one of the king s advisors The king is not pleased with the scope of the party Fouquet has staged and by citing money that is missing from the treasury creates grounds for having Fouquet placed under arrest When D Artagnan is asked to guard Fouquet for the night Aramis kidnaps Louis XIV and has Philippe replace him according to plan As king Philippe frees Aramis friend Fouquet Aramis informs Fouquet about the switching of the kings expecting to goad him into becoming an accomplice but instead it prompts Fouquet to leave in attempt to free the king and fix the situation Aramis along with fellow former Musketeer Porthos is forced to Fouquet s Belle Isle by fear that the plot is unraveling and they will be discovered The king takes Fouquet s money and arrests him D Artagnan goes after Fouquet and brings him back to the king Meanwhile another of

the former Musketeers Athos is living with his son Raoul Raoul remains in love with Louise la Vall rie who was once with him but is now the king's mistress Raoul tries to escape his heartache by going to Africa with the hope of being killed in battle He does not fear losing his life as he already feels that he cannot go on without Louise The king has ordered D Artagnan to find and capture Porthos and Aramis after he takes Philippe to another prison this one on St Marguerite D Artagnan sets off to capture the pair but resigns rather than betray his friends There is a battle in which Aramis and Porthos attempt to defend themselves leading to the death of Porthos Aramis escapes to Spain where he becomes a duke Louis XIV gets D Artagnan to agree not to resign and to work to support the king's wishes The king then grants a pardon to Aramis Raoul dies in Africa in battle News of Raoul's death causes Athos to lose his will to live and he dies shortly thereafter D Artagnan becomes a leader in the king's army as it attacks Holland and receives a promotion for his service but is almost immediately killed by cannon fire As *The Man in the Iron Mask* reaches its conclusion Aramis is the only one of the original Musketeers who is still alive There is an historical basis to the story of *The Man in the Iron Mask* An unidentified prisoner was arrested in around 1670 and spent time in several French prisons including the Bastille His actual name was never definitively known and though it is thought that it might have been Eustache Dauger in reality hundreds of guesses have been made about his identity Whoever the mysterious prisoner was he remained with one jailer for thirty four years and died known by the name of Marchionni during the reign of Louis XIV His face was kept hidden by a velvet cloth Philosopher and writer Voltaire in his writings about the prisoner referred to the mask as being made of iron and Dumas expanded the story adding for example the identical twin plotline
