## Parental Control

### Introduction

Even though most people get involved in either early or unplanned marriages, a section of these individuals does not aware of the effects of being a parent. As most of the people perceive it, the act of parental control is a significant step in a child's upbringing. For example, when a parent is responsible for a given child, chances are high that the given child would most definitely excel in their respective academics. On the other hand, a section of the society still sees the negative effects that come aboard with parental control. For example, in the act of controlling a child, some parents over emphasize it indifferent ways including the act of letting their child get much attached to the modern technology. In doing this, they tend to forget the negative influences of allowing the child to get prone with the
