**The Unlikely Hero** Robert Richey,2008-07 This is the story of a young man from a family from the hill country born into poverty with little or no chance of ever rising above it He was born with few if any advantages that other young men would take as their natural right In addition to being big in an awkward manner the Flatlanders found his manner of speech amusing and ridiculed him behind his back As much as possible they avoided him and wouldn t even greet him civilly when they happened to meet which was often And yet in spite of all this he somehow had acquired a sense of decency and integrity In the most important things in life he was honest but in the families need to survive financially he and his father didn t always follow the rules When faced with the somewhat traumatic decisions that all of us face at one time or another in life he was not found wanting which is more than can be said for many of those born with A golden spoon in their mouth Of course Lothar like all men who have trod this earth shared so many wonderful things that do not and have not cost a cent He enjoyed things like the beauty of a sunrise if one has the ambition to get out of bed early enough to see one or the splendor of a breathtaking sunset as dusk begins to fall Then there is always the occasional rain that cleanses the air and removes all the dust and grime from the trees and plants leaving one with a feeling of renewal In the spring the birds migrate north and drop down to feed on any seeds or hapless insect that happen to fall into their grasp Then in the fall the migration again occurs only at that time the birds are heading south To a small very curious boy these things are things of wonder Also in the spring life renews itself with puppies waddling along behind their mothers the bird eggs have hatched in the nest and soon the young birds begin to try their wings Baby chicks like little balls of fluff try to hide themselves under their mothers wings or cheep as they peck at the food scattered on the ground nearby Somehow Lothar had acquired a very strong sense of compassion for other creatures less fortunate Perhaps it was a result of all the Coon Hunts he had participated in on those nights when there was a full moon He had seen a seemingly endless succession of Coons up in a tree piteously mewling and cowering while the pack of hounds below bayed and tried to climb the tree after the hapless creatures Perhaps this influenced him And so did Lothar s family finally find the good life Did he conduct himself in a manner that he could be proud of Did he find the right girl Did he find happiness Only by reading this story can anyone really find out Resurrecting Easter Kate Moorehead,2013-10-20 A devotional resource for the forgotten post Easter season American Christians have

forgotten the Easter season We celebrate the Resurrection of Jesus on one day and then return to ordinary time But Christ appeared over and over again for forty days in resurrected form We cannot sustain this resurrection season because that kind of sustained joy overwhelms us This book is designed to help us sustain Easter     *The Novels and Miscellaneous Works of Daniel Defoe* Daniel Defoe,1855     *The Novels and Miscellaneous Works of Daniel Defoe* Defoe,1840     *Shadow Run* Michael Miller,AdriAnne Strickland,2017 In pre publication Michael Miller was listed first     **Rationality, Virtue, and Liberation** Stephen Petro,2013-11-19 This book explores the overlooked but vital theoretical relationships between R M Hare Alan Gewirth and J rgen Habermas The author claims their accounts of value while failing to address classic virtue theoretical critiques bear the seeds of a resolution to the ultimate question What is most valuable These dialectical approaches as claimed justify a reinterpretation of value and value judgment according to the Carnapian conception of an empirical linguistic framework or grammar Through a further synthesis with the work of Philippa Foot and Thomas Magnell the author shows that value would be literally meaningless without four fundamental phenomena which constitute such a framework Logical Judgment Conceptual Synthesis Conceptual Abstraction and Freedom As part of the grammar of goodness the excellence of these phenomena in a highly concrete way constitute the essence of the greatest good as this book explains
