The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It's a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to

mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network **From Jesus's**

Meet My Jesus** Bhagyam Moses, Bhagyam s desire was to bring hope of a better life to the poor children living in utter poverty Her heart went out to the abused children who were never shown any love She took pleasure in telling them about how much Jesus loves them and that He is building beautiful mansions for them It was important for her to have them forget their current circumstance and visualize Jesus and the heavenly mansions He is preparing for them Hundreds of children were given free education through this vision The stories in this book are a sampling of the children s lives and what a message of hope love and a Savior can do for these children For twenty years she worked in the villages and experienced the hardship that faced them She always said There is no greater joy than to bring a poor sad and beaten child to experience the love of Jesus **They Smell Like Sheep** Dr. Lynn

Vol 1 p ii *A Defense of Youth Ministry* Ron Belsterling, 2019-04-04 Youth ministry succeeds because it directly reflects Jesus Christ's approach. It's not overvalued today; it's undervalued. The hard work required for its success has been misunderstood and misrepresented. The first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches, merging their best aspects into the holistic approach demonstrated by Christ. Part 2 introduces Attachment Relationship Ministry (ARM), a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are with God and parents. Part 3 encourages strategic relational ministry sensitive to those styles, explaining why youth leader efforts succeed or fail. Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers, volunteers, newbies, experts, and interns to focus energy and time more wisely. These recommendations relate to spiritual formation, leadership selection, parental approach, and trending issues such as ministry to LGBTQIA teens. For too many teens today, feeling insecure in crisis is a way of life. Learn how to take what you've done well and make it better. All church leaders should read this book, logging the critical importance of providing ministry specifically targeting teenagers today.
