Real Ventures Bonnie Burgess Neely, 2022-12-12 Isolation during the Pandemic vastly increased RV travel but also created anxiety and depression The best release for emotional distress is humor This book presents the gift of laughter and escape so needed at this troubled time in the world This is the perfect read for your favorite chair or on any trip Whether you are campers or those who prefer staying at home it will keep all ages laughing aloud or gasping in amazement Real Ventures Did We Really Do That describes our almost unbelievable but true RV experiences and hilarious tales from 1975 to the present Our RV travel mileage is equal to three trips to the moon or around the circumference of the earth s equator twenty

five times Our nine different RVs ranged in size from a cramped seventeen 17 feet for a family of six to thirty six feet of luxury for two Our adventures sometimes included a pet friends in laws a newborn baby children teens the elderly or the handicapped We camped in every state in the continental USA every province in Canada all over Mexico El Salvador Belize Guatemala and some of France Italy and Switzerland My husband did not like to be limited to campgrounds reserved in advance so some of our RV overnights were quite unique or scary Since he was a college professor wanting to see as much as possible during school holidays he preferred to wing it and exit to anywhere that looked interesting our serendipities These travels began when we were barely thirty years of age and continue till now at almost age eighty We Have Tales to Tell
