Bitter Harvest Series, Books 1-3 Ann Gimpel, 2018-10-12 1200 pages of spellbinding dystopian urban fantasy. In a world with few choices, evil runs rampant and none of the old rules apply. What began as an exploratory mission to see if anything is left on Earth turns sour fast. A Vampire attack, a possessed priest, and a gateway to Hell mean fallout from the spell gone bad that pinned everyone in South America is far from finished. Retreat is tempting, but nowhere is safe. Evil is leaching in from somewhere. If they can't find the breach, they're finished. Deceived Vampires aren't supposed to feel anything beyond hunger and bloodlust, but Viktor still feels a whole lot. He hates what he's become, but there's no escape. Not from the dying city smothering him, or from his maker, an arrogant tyrant who demands absolute loyalty. Twisted. The sea is the only life Juan's ever known, not counting the decade he spent as a Vampire. Those years gave him a healthy aversion for anything supernatural, but he's a shifter now. It's way better than being one of the undead, but he still doesn't trust magic. Paired up with Aura to teach him, he falls and falls hard, but she spurns his advances. Abandoned. Recco misses his cozy lab and well-organized veterinary clinic, but ten years as a Vampire stripped him of any illusions. Life is done handing him everything he wants. He could rail against fate, which never bought him much, or suck it up and keep going. Defeating the Cataclysm broke Vampirism's hold on him, though. Even better, it threw Zoe square in his path and kicked open the door for him to bond with a wolf.

PRAISE FOR THE BITTER HARVEST SERIES

I am a huge fan of this author's work, having read quite a few of her different series of books, and I was so surprised by how different this book is from her other series. Surprised and blown away by how amazing it was and how much I adored this book.

Goodreads Review

What a cool new world and an awesome story. A spell gone wrong and a cataclysm has hit, trapping the people shifters and vampires in Ushuaia. The vampires are at the top of the food chain, and everything is dying.

Goodreads Review

Just my kind of story. The sea, a ship, someone named Viktor to make the story fantastic. He just wants to get back to a life on the sea, even though it's tough. Obviously, it's not going to be easy. Not to be missed.

The audio book has a narrator that has you listening until the end.

Goodreads Review

Entertaining, and I loved the premise. It's been awhile since I've read a vampire book, and I really enjoyed Ann Gimpel's storytelling.
