demystify the various approaches to compression It begins by describing the basic concepts of video compression explains why you might choose a particular compression tool over another and covers important workflow practices After the groundwork is laid readers will learn how to compress their video according to the specific requirements of their projects and will learn some best practices by following the author's own tips and recipes Experts in the field lend their own solutions in several sidebars throughout the book making this a valuable learning tool for anyone learning to encode video whether they are bloggers DVD authors video editors or students Contents at a Glance Chapter One Understanding Video and Audio Chapter Two The Language of Compression Chapter Three Best Practices Chapter Four Preprocessing Interview with a Compressionist John Howell Chapter Five Compression Tools Interview with a Compressionist Nico Puertollano Chapter Six Compressing for DVDs Interview with a Compressionist Ben Waggoner Chapter Seven Compressing for the Web Interview with a Compressionist Jim Rohner Chapter Eight Compressing for Mobile Interview with a Compressionist RYANNE HODSON Chapter Nine Compressing for Set Top Boxes Interview with a Compressionist Andy Beach In the highly accessible REAL WORLD VIDEO COMPRESSION Andy Beach illuminates the dark art of encoding and provides candid insight from working professionals Andy's fluid style and easy prose decode this often misunderstood and often misinformed world he is the Carl Sagan of compression Brian Gary Filmmaker Compressionist Author of the COMPRESSOR 3 QUICK REFERENCE GUIDE

Design Like Apple John Edson, 2012-06-12 Implement the same principles that shaped Apple's approach to design Apple sees design as a tool for creating beautiful experiences that convey a point of view down to the smallest detail from the tactile feedback of keyboard to the out of the box experience of an iPhone package And all of these capabilities are founded in a deep and rich embrace of what it means to be a designer Design Like Apple uncovers the lessons from Apple's unique approach to product creation manufacturing delivery and customer experience Offers behind the scenes stories from current and recent Apple insiders Draws on case studies from other companies that have mastered the creative application of design to create outrageous business results Delivers how to lessons across design marketing and business strategy Bridging creativity and commerce this book will show you to how to truly Design Like Apple **HWM**, 2004-12 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews **The Inner History of Devices** Sherry Turkle, 2011-09-30 Memoir clinical writings and ethnography inform new perspectives on the experience of technology personal stories illuminate how technology enters the inner life For more than two decades in such landmark studies as The Second Self and Life on the Screen Sherry Turkle has challenged our collective imagination with her insights about how technology enters our private worlds In The Inner History of Devices she describes her process an approach that reveals how what we make is woven into our ways of seeing ourselves She brings together three traditions of listening that of the memoirist the clinician and the ethnographer Each informs the others to compose an inner history of devices We read about objects ranging from cell phones and video poker to prosthetic eyes from Web sites and television to dialysis machines

In an introductory essay Turkle makes the case for an intimate ethnography that challenges conventional wisdom One personal computer owner tells Turkle This computer means everything to me It s where I put my hope Turkle explains that she began that conversation thinking she would learn how people put computers to work By its end her question has changed What was there about personal computers that offered such deep connection What did a computer have that offered hope The Inner History of Devices teaches us to listen for the answer In the memoirs ethnographies and clinical cases collected in this volume we read about an American student who comes to terms with her conflicting identities as she contemplates a cell phone she used in Japan Tokyo sat trapped inside it a troubled patient who uses email both to criticize her therapist and to be reassured by her a compulsive gambler who does not want to win steadily at video poker because a pattern of losing and winning keeps her more connected to the body of the machine In these writings we hear untold stories We learn that received wisdom never goes far enough
