J. O. Akindayomi Olanike Olaleru, 2007      **Digging for Gold** Emmanuel Elendu, 2015-05-29 Digging for Gold comes to fill the need to teach sound and balanced biblical truths Emmanuel Elendu draws from his years in ministry and professional practices to lead groups and training classes Elendu uses the question model in his study designs The book deals with topical and contemporary issues to address simple but practical Christian living Digging for Gold serves as a resource for Christian workers The stories and styles of presentation meet students at a crossroads while leading to the truth and the life When you invest in stocks and bonds you expect a good return on investment with promising market dynamics As you study with Digging for Gold the return on your investment will be worth something more than gold      **Text and Context** Melanie Baffes, 2018-10-24 As biblical hermeneutics moves increasingly toward the inclusion of vernacular approaches to the text understandings of the Bible based on culture context and human experience many communities of faith around the world are contributing their voices to the conversation of global Christianity This volume explores reading methods and text interpretations of believers in South Africa the Caribbean Spain the Netherlands the United States India Kenya Fiji Japan the United Kingdom New Zealand and Nigeria revealing the ways various faith communities read the Bible contextually Essays in this volume also illustrate the impact of the biblical text in people's lives on their understandings of oppression identity the plight of refugees decline and loss the relationship between church and society imperialism homelessness restorative justice bodily experiences of the Holy Spirit and time and the future Together these writings provide an in depth sense of how global Christians read the Bible through the lens of their own tradition or culture as well as how the Bible informs all aspects of their lives as they read the world biblically      **Believers' Class Manual** Redeemed Christian Church of God, 2011      *The Elementary Principles of Christ Course Intensive Teacher's Guide* Angie Dorman, 2023-01-23 There's more in this course than what students receive in their first year at Bible College Apostle Michael Fram It's so important for believers to understand the things that are foundational to our faith so that we can rightly divide the Word of Truth Pastor Shaleen Clinton The more I learn these teachings the more I realize sadly that I really do not know what I should know after decades as a believer Taking these classes was one of the top 5 best decisions of my life What a blessing I'm so grateful Brenda Morris Prepare yourself and others for an eternity with the Lord Not all discipleship curriculums are created equal After more than three decades of equipping Christian leaders for the greatest harvest ever seen King's Dominion International founder Angie Dorman has compiled an empowering encompassing teacher's guide with curriculum that will edify new and seasoned believers alike The Elementary Principles of Christ Course Intensive consists of 18 lessons that will deepen your students' understanding of the Christian faith's principle doctrines originally set out by Apostle Paul in Hebrews 6:1-2 The companion study guide entitled The Elementary Principles of Christ Student Workbook will likewise encourage deep reflection on these doctrines and guide disciples toward everyday application of these bedrock teachings Help your students to increase their

faith recognize and avoid false doctrines and strengthen their relationship with the Lord as you teach them using The Elementary Principles of Christ Course Intensive curriculum **Growing with God - Teacher's Manual**, 2021 **Help to Grow** Dr. Sunday Odii, 2022-01-27 Many children of God would agree that God doesn't require a lot of pageantry and hoopla first to answer a truly heartfelt prayer neither does he want us to badger Him repeatedly before He grants our requests **HELP to GROW** is a book that reflects a confirmation that salvation is the work of God through grace as opposed to being earned It underscores the fact that salvation does not start and end at the point when we surrender our lives to Christ It sure is a work that continues till we are fully conformed to the image of Christ Jesus This is only possible through spending quality time in the place of sincere prayer and jealously guarding your salvation daily until death comes or at rapture whichever happens first Therefore this book is a powerful prayer guide that practically teaches how to pray offers its readers a hands on approach to praying the Scripture and contains over 300 prayer points and prophetic declarations This book has been divided into two independent parts The first centred on praying the scripture raising prayer points on various aspect of life's issues as well as a few intercessory prayers for special persons The second part of the book contains 12 Nuggets which offers practical and fascinating individual vignettes that will help believers through God's Grace to grow in their walk with Christ Jesus and guard their salvation spiritually in this side of eternity These Nuggets are a collection of Scriptural truths that can guide fledgling believers in Christ as we approach the end times to ensure we don't grow complacent and lax in our devotion This book is written to share both personal and other people's experience where possible to encourage believers to be mindful of subtle pitfalls little foxes that are lurking around the corners of our lives which if not properly and intentionally identified and worked upon could potentially derail our journey The goal is that the impact will be enormous and eternal for everyone who reads this book and purposefully works it out **Help to Grow** is an easy to read and implement intelligent submission I recommend you read this book as it will impact or transform your prayer and family life and help solidify your relationship with God Pastor Adeleke Aiku Zonal Pastor Manitoba 2 The Redeemed Christian Church of God Canada
