Audiobooks as Artifacts David Seinberg, 2024-06-19 Their ever evolving popularity notwithstanding audiobooks remain a rather undertheorized phenomenon The prevailing handful of existing studies seem to have adopted an inherently historicist approach which fails to identify and scrutinize their aesthetic importance Thus rather than regarding them as mere recorded versions of existing literary works this book explores them as the unique products of a hitherto undefined artistic genre As performance based aural artefacts the very act of listening to them is rendered an aesthetic experience in its own right By effectively embracing an interdisciplinary approach and introducing a set of aesthetic questions and philosophical conundrums ignited by a paradigmatic application of the New Institutional Theory of Art this study establishes a new aesthetic category which in turn not only classifies audiobooks as artworks to all intents and purposes but also generates the criteria and parameters for evaluating their merit Since the proof of the proverbial pudding is purportedly in the eating in surveying a series of concrete case studies each highlighting different degrees of complexities this study mainly examines first person narratives as the most natural medium for the aesthetics of the audiobook As such the investigation herein

provides one with comparative close listenings appropriately analyzing and debating their aesthetic properties Finally in exploring what this study identifies as one s informed intuition and its role in the craft of casting audiobooks this study also proposes a new understating of how aesthetic appreciation works in action *Where the Deer and the Antelope Play* Nick Offerman,2021-10-12 A humorous and rousing set of literal and figurative sojourns as well as a mission statement about comprehending protecting and truly experiencing the outdoors fueled by three journeys undertaken by actor humorist and New York Times bestselling author Nick Offerman Nick Offerman has always felt a particular affection for the Land of the Free not just for the people and their purported ideals but to the actual land itself the bedrock the topsoil and everything in between that generates the health of your local watershed In his new book Nick takes a humorous inspiring and elucidating trip to America s trails farms and frontier to examine the people who inhabit the land what that has meant to them and us and to the land itself both historically and currently In 2018 Wendell Berry posed a question to Nick a query that planted the seed of this book sending Nick on two memorable journeys with pals a hiking trip to Glacier National Park with his friends Jeff Tweedy and George Saunders as well as an extended visit to his friend James Rebanks the author of *The Shepherd s Life* and *English Pastoral* He followed that up with an excursion that could only have come about in 2020 Nick and his wife Megan Mullally bought an Airstream trailer to drive across several of the United States These three quests inspired some deep ish thinking from Nick about the history and philosophy of our relationship with nature in our national parks in our farming and in our backyards what we mean when we talk about conservation and the importance of outdoor recreation all subjects very close to Nick s heart With witty heartwarming stories and a keen insight into the human problems we all confront this is both a ramble through and celebration of the land we all love **The Tool Book** Phil Davy,Jo Behari,Matthew Jackson,Luke Edwardes-Evans,2018-04-03 This user s guide to over 200 hand tools highlights how to use tools effectively understand them better and how to properly care for them Salute generations of craftsmanship ingenuity and know how with *The Tool Book* Explore tools from every angle with detailed patent drawings exploded diagrams and step by step illustrations of tools in action with the science behind the techniques Gallery pages display different types of hammers spades or chisels while expert advice tells you what to look for when choosing a tool and how to use it and care for it best Discover why each tool is perfect for the job and why it deserves a prominent spot in your shed workshop studio or makerspace The perfect gift for craftsmen makers and anyone with an interest in DIY **Gumption** Nick Offerman,2016-04-05 After the great success of his autobiography *Paddle Your Own Canoe* Offerman offers up another hilarious book focusing on the lives of those who inspire him From George Washington to Willie Nelson he describes 21 heroic figures and tells us exactly why they inspire him Combining serious history with light hearted humor Offerman expounds upon his favourite topics which readers love to hear about topics such as religion politics woodworking and handcrafting agriculture creativity philosophy fashion and of course meat **Talking Book Topics** ,2015-05 *Subject Guide to Books in Print* ,1997 **Little Woodchucks** Nick
