

The Way the World Learns to Dive

How To Use and Choose Dive Computers

Dive computers have revolutionized the way we visit the underwater world. They simplify planning and making dives. They give you more time underwater. Dive computers assist you during the dive by providing realtime information based on your actual dive profile. They automatically calculate the longer no-stop times you get diving enriched air nitrox. It's no wonder that a dive computer is one of the first investments made by committed divers.

How to Use and Choose Dive Computers is your guide to getting the most out of dive computing technology. This guide covers

- what dive computers do and how they do it,
- what information dive computers provide,
- dive computer setup options and pre-dive settings,
- how to plan and make computer-assisted dives,
- dive computer use guidelines,
- how to choose a dive computer to invest in,
