My Dear Mrs. Roosevelt:

I chanced to glance at an article of yours written some days ago, and was simply astounded to think that anyone could be nitwit enough to wish to be included in the so called social security act if they could possibly avoid it. Call it by any name you wish it, in my opinion (and that of many people I know) nothing but downright stealing. If the individual had any choice in the matter that might not be true but as it stands it certainly is.

The calmness and nerve with which Mr. Roosevelt proceeds to tell the people what is good for them is almost unbelievable. One would think they were so many animals with no opinions or judgment of their own. The only people who could possibly need such domination are those so incompetent and thriftless that they cannot manage any of their private affairs satisfactorily.
