

From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries—and continue to do so today.

# RUSSIANS

This riveting book explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor.

Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. *RUSSIANS* is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

# Russians The People Behind The Power

**Gerald Freund**

## **Russians The People Behind The Power:**

**Russians** Gregory Feifer, 2014 Focuses on the author's years as a journalist in Russia and personal stories by everyday people to examine the forces that have shaped the Russian character for centuries offering insight into apparent paradoxes in Russian culture policies and politics Russia as a Great Power Jakob Hedenskog, Vilhelm Konnander, Bertil Nygren, Ingmar Oldberg, Christer Pursiainen, 2013-07-04 After a period of relative weakness and isolation during most of the 1990s Russia is again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia's current security situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia's growing power abroad

Russia's Identity in International Relations Raymond Taras, 2012-10-02 Bringing together leading scholars from Russia and outside experts on Russia this book looks at the difference between the image Russia has of itself and the way it is viewed in the West It discusses the historical cultural and political foundations that these images are built upon and goes on to analyse how contested these images are and their impact on Russian identity The book questions whether differing images explain fractiousness in Western Russian relations in the new century or whether distinct imaginary solitudes offer a better platform from which to negotiate differences Providing an innovative comparative study of contemporary images of the country and their impact the book is a significant contribution to studies of globalisation and international relations

*Competing Voices from the Russian Revolution* Michael C. Hickey, 2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it *Competing Voices from the Russian Revolution* Fighting Words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals Power, Culture, and Economic Change in Russia Jeffrey Hass, 2011-04-20 Utilising cutting edge theory and unique data this book examines the role of power culture and practice in Russia's story of post socialist economic change and provides a framework for addressing general economic change No other book places power and culture as

centrally as this and in doing so it provides new insights not only into how Russia came to its present state under Putin but also how economies operate and change generally In particular the importance of remaking authority and culture creating and contesting new categories and narratives of meaning is shown as central to Russia s story and to the story of economies overall Power Culture and Economic Change in Russia is an excellent research tool for advanced undergraduate and postgraduate students of sociology political science economics area studies and other related disciplines

**Russia's Coercive Diplomacy** R. Maness,B. Valeriano,2015-07-13 Russia s place in the world as a powerful regional actor can no longer be denied the question that remains concerns what this means in terms of foreign policy and domestic stability for the actors involved in the situation as Russia comes to grips with its newfound sources of might

**Unholy Alliance** Gerald Freund,2018-12-05 Here is the first comprehensive account of the secret military and political relationship between Germany and Russia in the years after the First World War when the seeds were sown for the second At that time these two major powers were outcasts from the society of nations Germany because of her defeat Russia because of the Bolshevik Revolution Quarantined they sought each other s company Leaders in the uneasy partnership included the complex statesman Gustav Stresemann the tragic Walter Rathenau soon to meet an assassin s bullet and the unscrupulous Karl Radek Germany had deposed her Kaiser Russia her Czar both countries were in social and political turmoil In recounting the story of this relationship Dr Freund has had access to important unpublished material including the archives of the German Foreign Ministry and the private papers of Stresemann and General von Seeckt The noted historian John W Wheeler Bennett in his introduction calls Unholy Alliance a work of significance an important addition to the literature of this period of history the strange and ever fascinating story of German Russian collaboration during the twenties Mr Freund s able study utilizing a number of sources not hitherto available constitutes an up to date and authoritative account of a particularly absorbing period in the relations between Germany and the Soviet Union George F Kennan I can say without hesitation that this is by far the most thorough treatment I have read of German Russian relations Alan Bullock Oxford University

*The World War and What was Behind It; Or, The Story of the Map of Europe* Louis Paul Bénézet,2019-12-04 In *The World War and What was Behind It Or The Story of the Map of Europe* Louis Paul B n zet delves into the complex political social and economic factors that precipitated the tumultuous events of World War I Using a clear and straightforward narrative style B n zet combines historical analysis with vivid storytelling making intricate geopolitical dynamics accessible to the reader This work is situated within the broader context of early 20th century literature when many intellectuals sought to make sense of the devastating impact of the war on Europe and the world at large highlighting not just the conflict itself but also its implications on national borders and cultural identities B n zet a historian and educator was profoundly influenced by the rapid changes occurring in Europe during his lifetime particularly the shifts caused by the war His deep understanding of the political landscape and a commitment to historical accuracy shaped his perspective prompting him to explore the underlying causes of the war as well

as its aftermath As someone who witnessed the societal upheaval resulting from the conflict Ben Zet's insights reflect a blend of personal experience and scholarly rigor I highly recommend this book for readers interested in understanding the intricate causes and consequences of World War I Ben Zet's approachable yet thoughtful prose invites historians students and general readers alike to engage with the historical narrative fostering a deeper appreciation for the significant events that reshaped the map of Europe *The Western Christian Advocate*, 1906 *The Outlook*, 1908 *The Nineteenth Century and After*, 1915 Tax-exempt Foundations United States. Congress. House. Special Committee to Investigate Tax-Exempt Foundations, 1954 *Soviet Russia*, 1921 *Power and Policy in Putin's Russia* Richard Sakwa, 2013-09-13 The volume provides a retrospective analysis of Putin's eight years as president between 2000 and 2008 An international group of leading specialists examine Putin's leadership in an informed and balanced manner The authors are drawn from Russia itself as well as from Europe America and Australasia Coverage includes general analysis of the Putin presidency the ideology underlying the thinking of the regime issues of institutional development including coverage of parties parliament and elections developments in the federal system corruption and changes in the configuration of the elite The impact of energy on changes in political economy provides the background to an assessment of Russia's re emergence as a great power in international affairs accompanied by analysis of the difficulties in Russia's relations with its former Soviet neighbours and the European Union The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin's system of government and thus of the fate of Russia This book was published as a special issue of *Europe Asia Studies*

**The Road to Intervention** Michael Kettle, 2024-04-12 The Road to Intervention 1988 uses rarely seen British government papers to analyse the position of the Allied and Russian governments in the last year of the First World War as the Russian revolution ended their participation in the war and the Western Allies feared a huge German offensive in France in consequence The British government called for intervention in Russia Trotsky played off the British against the Germans the French and British were at loggerheads over the Czech Legion and the Americans and Japanese argued over intervention in Siberia Congressional Record United States. Congress, 1983 **The Russian Revolution** Joseph King, 1918 *The Russian Revolution* James Mavor, 1929 Smart Technologies and Innovations in Design for Control of Technological Processes and Objects: Economy and Production Denis B. Solovev, 2019-05-18 This book features selected papers presented at The International Science and Technology Conference FarEastCon which took place on October 2-4 2018 in Vladivostok Russian Federation The conference represents an informational platform for accumulating expert opinion on projects and initiatives aimed at the implementation of farsighted scientific research and development it also allows scientific and practical achievements to be shared with a wide circle of researchers Sections of the conference are of interest for the broad range of experts involved in developing innovative solutions and organizing events that increase the efficiency of economic and innovative activities The Power of Language and Rhetoric in Russian Political History Richard S.

Wortman, 2017-11-30 This book examines the rhetorical force of certain key words in the discourses of Russian state political thought and literature. It shows how terms for cultured conduct (*kul turnost*), political affection (*love liubov*), joy (*radost*), etc., personhood (*lichnost*), truth (*pravda*), and geographical integrity (*tsel nost*) assumed almost sacral meaning. It considers how these terms took on a life of their own, imposing the designs of the Russian state and defining the hopes of educated society in the process. By exploring the usage of these words in a wide range of texts, Richard Wortman provides glimpses into the ideas and feelings of leading figures and thinkers in Russian history, from Peter the Great to Alexander Herzen and Nicholas Berdiaev, as well as writers like Mikhail Lermontov, Ivan Turgenev, and Fedor Dostoevsky, giving a sense of the intellectual and emotional universe they inhabited. *The Power of Language and Rhetoric in Russian Political History* provides both students and scholars with a specific focus through which to approach Russian culture and history. This book is essential reading for students of Russian government, thought, literature, and political action.

## **Russians The People Behind The Power Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russians The People Behind The Power PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russians The People Behind The Power PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russians The People Behind The Power free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Russians The People Behind The Power Books**

**What is a Russians The People Behind The Power PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russians The People Behind The Power PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russians The People Behind The Power PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russians The People Behind The Power PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russians The People Behind The Power PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting,

merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
