Exorcism and Deliverance Ministry in the Twentieth Century James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing John Knox s classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practiced Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result important secondary insights are

gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches The Biblical Guidebook to Deliverance Randy Clark,2015 The Biblical Guidebook to Deliverance provides you with the supernatural power and authority to fight your battles and be free from oppression Full of scriptural yet practical teaching this book will help you learn how deliverance was part of Jesus s ministry in the New Testament and how you have access to the same power enabling you to live free from the chains of sin Global Pentecostal and Charismatic Healing Candy Gunther Brown,2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world s two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume s distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways **The Failure of Evangelical Mental Health Care** John Weaver,2014-11-26 In the evangelical community a variety of alternative mental health treatments deliverance exorcism biblical counseling reparative therapy and many others have been proposed for the treatment of mentally ill female and LGBT evangelicals This book traces the history of these methods focusing on the major proponents of each therapeutic system while also examining mainstream evangelical psychology The author concludes that in the majority of cases mental disorders are blamed on two main issues sin and demonic possession oppression and that as a result some communities have become a mental health underclass who are ill served or oppressed by both alternative and mainstream evangelical therapeutic systems He argues that the only recourse left for mentally ill female and LGBT evangelicals is to rally for reform and increased accountability for both professional and alternative evangelical practitioners **How to Cast Out Demons** Doris M. Wagner,2000-03-06 Many modern Christians

are now agreeing that we should take Jesus command to cast out demons more seriously than we have in recent years But how do we do it Where do we start This practical down to earth book shows us how From Doris Wagner one of the leading authorities on biblical deliverance in North America this manual teaches Christians how to take and break soul ties how to break bondages of rejection addiction lust and more and how to set free those whom the enemy has held captive The New Apostolic Reformation John Weaver,2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives **The Rebirth of Latin American Christianity** Todd Hartch,2014-01-02 Winner of 2014 Book Award for Excellence in Missiology from the American Society of Missiology Winner of the 2015 Christianity Today Award for Missions Global Affairs Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Predominantly Catholic for centuries Latin America is still largely Catholic today but the religious continuity in the region masks enormous changes that have taken place in the past five decades In fact it would be fair to say that Latin American Christianity has been transformed definitively in the years since the Second Vatican Council Religious change has not been obvious because its transformation has not been as in Africa and Asia the sudden and massive growth of a new religion It has been rather a simultaneous revitalization and fragmentation that threatened awakened and ultimately brought to a greater maturity a dormant and parochial Christianity The rapid growth of Protestantism especially Pentecostalism forced Catholics to adopt a more active and dynamic approach to their religion Although many Catholics left their church to become Pentecostals many others responded to the Protestant challenge by joining new Catholic movements Today Latin American Christianity is so energized that the region is sending missionaries to Africa Europe and the United States In **The Rebirth of Latin American Christianity** Todd Hartch examines the changes that have swept across Latin America in the last fifty years and situates them in the context of the growth of Christianity in the global South **Warfare Prayer** C. Peter Wagner,2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God **SOZO Saved Healed Delivered** Teresa Liebscher,Dawna DeSilva,2016-08-16 Experience Salvation Healing and Deliverance in Every Area of Your Life For too long the popular understanding of Christian salvation

has been limited to securing a place in Heaven Sadly many Christ followers experience constant defeat during their time on Earth Something is missing The Biblical concept of salvation **Unbound** Neal Lozano, John Loren Sandford, 2010-08 As a teacher on deliverance Neal Lozano knows that many believers struggle with the same sin areas time after time Yet victory can be as simple as tapping into the potent power of the gospel By focusing on Jesus and his work rather than on the intimidating aspects of evil spirits readers can reset their mindset about their spiritual struggles In *Unbound* Lozano shows readers how to do just this He also shows them how to find and close any doors they may have opened to evil influence and consequently Satan's underhanded strategies Balanced and full of hope *Unbound* is a practical thorough and easy to follow guide to deliverance and freedom It also includes practical instruction on praying for others to be set free *Testing Prayer* Candy Gunther Brown, 2012-04-30 Drawing on medical records surveys of prayer recipients prospective clinical trials and multiyear follow up observations and interviews Brown shows that the widespread perception of prayer's healing power has demonstrable social effects which can in some cases produce improvements in health that can be scientifically verified

How to Minister Freedom Doris M. Wagner, 2011-08-29 This book a compilation of four essential resources contains the steps to finding freedom from demonic oppression emotional wounds sexual bondages and ties to the occult Each topic is enhanced with contributions from well known experts in the field of deliverance Pastors counselors and those who seek freedom for themselves will garner both a basic understanding of each issue and the means to ministering healing No church should be without this crucial guide for bringing lifelong freedom to every Christian *The Pentecostal World* Michael Wilkinson, Jörg Haustein, 2023-04-01 *The Pentecostal World* provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement's inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research *The Pentecostal World* is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies

Charisma and Christian Life ,2000 **Destined for the Cross** Randy Clark, 2020-08-04 Understanding the Truth

Behind Jesus Death Changes Everything In Destined for the Cross Randy Clark explores the most central aspect of Christianity Jesus Christ and His death on the cross While the full magnitude is beyond human comprehension Dr Clark helps to clear the fog and offers a clear glimpse into the life and death of the Son of God providing answers to questions such as Who was Jesus Where did He come from Why did He come How do we benefit from His life and death Truly understanding what happened on the cross provides a new way of living in a hurting world and Dr Clark s insight profoundly and poetically leads the way

The X-Manual Peter J. Bellini,2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free
