## **Painting The Corners Off Center Baseball Fiction:**

Painting the Corners Bob Weintraub, 2017-10-31 Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. In *Knuckleball*, a manager is beside himself when he can't let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he's ever had in the big leagues suddenly goes down with an injury. The team from Alcatraz in *The Way They Play Is Criminal* has a bag full of dirty tricks waiting to spring on its San Quentin rivals and it uses them all. A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park's bleachers thirty years earlier and learns in *The Autograph* how a twist of fate has brought the friend together with the player who hit it. In these and other stories now in paperback, Weintraub infuses baseball with humanity, originality, humor, and compassion and raises the game to a new level of understanding and love.

**Painting the Corners Again** Bob Weintraub, 2018-03-27 *Painting the Corners Again* is Bob Weintraub's second marvelous collection of baseball stories. It goes directly to the core of what America's pastime does for us when we watch it being played on the field. Weintraub shows us that baseball has its heroes and its villains and that they can reach into a person's life and remain a part of us for the rest of our days. Told from varying perspectives, *Painting the Corners Again* offers the personal experiences of the baseball player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. Each story strives for its own sense of authenticity and is full of characters that we recognize and want to spend time with. In this collection, the author digs beyond the statistics and numbers that sometimes dominate our view of a sport and gets to the true humanity of baseball.

Caesar Fortunato is the greatest sports director ever If you're not sure about that just ask him He'll tell you that he invented the instant replay The blimp shot The up close and personal feature In fact if you asked him Caesar Fortunato would tell you that without him sports broadcasting would be a wasteland not worth watching And he might be right Caesar has directed Super Bowls NBA championship games Wimbledon the Olympics When he's hot Caesar can make the worst game look like a spectacle and a good game look like art The problem is that he is as arrogant about his abilities as he is good at his job And he believes that entitles him to be as unkind to network presidents as he is to lowly production assistants So when Caesar finally makes a mistake all the little people he's screamed at and all the suits he's snubbed over the years get their revenge He quickly finds himself on the street and then on the run when creative differences with a Hollywood A list actor get physical Before he totally self destructs though Caesar gets one last chance to transform chaos into broadcast beauty It'll be live global and impossible to pull off Maybe In TV Emmy Award winning television writer producer and director Brian Brown offers the truest story yet told about what goes on behind the cameras in the television industry as reflected in the rise fall and redemption of broadcasting's ultimate insider In telling Caesar's story Brown turns a revealing lens on the media's madness and madmen as well as the power and all the possibility inherent in the medium that so pervades our lives It's a riveting inside look at some of the most ephemeral idiotic art ever created and the modern spectacle that is sports in all its brute heartbreaking beauty Sometimes you can only tell the truth by resorting to fiction     **International Journal of Religious Education** ,1939     **The Washington Post Index** ,1989
