

PALADIN

ONCE A CLERIC, THE PALADIN HAS A CALL TRANSCENDING THE CUSTOMS OF THE CLERIC ORDER. LED BY HER CONVICTIONS, SHE SETS OFF TO CARRY OUT HER OWN RIGHTEOUS JUDGMENT.

Once a Cleric themselves, the Paladin has felt a call that transcends the rigid customs of the Cleric Order. Led by their convictions, the Paladins set off on their own to carry out their righteous judgment as they see fit.

At its core, the Paladin is a plate-armored, melee specialist imbued with celestial power. This enables them to wield spoken rebukes with awesome effect. In addition, by shedding the dogma of the Cleric Order, they have devoted themselves to the study of arms and armor, giving Paladins renowned ability in defensive combat. Perhaps most iconically, the Paladin is driven by an unquenchable hatred of Undeath, a flame they have stoked into a ceaseless pursuit. Thus, a Paladin is never more fierce than when they stand face to face with Undeath.

Geography and National Identity David Hooson, 1994-10-20 This volume of especially commissioned essays explores the geography of and the role of geography in national and proto national identity Place and national identity are bound together Attachment to the one is almost always inseparable from the sense of the other Yet as this volume shows the articulated self conscious linking of place and identity is by and large a modern phenomenon that took root in nineteenth century Europe The formation of supranational states and the much vaunted globalization of culture led many to believe there would be a progressive dilution of national identities and a growing agglomeration of places and nations into larger state units Precisely the reverse has taken place This book explores the connections between identity and homeland showing how a place may be perceived as archetypal endowed with love and celebrated in music and poetry yet be a pretext for violence and war It examines the evolution of ideas about identity and their manifestations in a wide variety of settings from the former Soviet Union to the island states of the South Pacific
