**Paleo Recipes for Auto-Immune Diseases** Erica Dunn, 2014-09-19 Author Erica Dunn Hi my name is Erica and I m a 37 year old mother of two accountant and home cook from Anaheim California At the age of 32 I was diagnosed with ulcerative colitis It was a life changer It s beyond embarrassing to frequently make trips to the bathroom throughout the day Everything I ate would go right through me and on top of the embarrassment I was enduring it was also extremely painful I worked my way through several different medications and steroids which all ended up to be more harmful to me than helpful My treatment triggered my body to develop rheumatoid arthritis and I was more flared up than ever I was basically immobilized but ironically always had to get up to go to the bathroom As far as I was concerned I wanted to die I know that s a little extreme but my mindset at the time was my willing to do anything to get the pain to stop The way I saw it life simply wasn t worth living if it meant going through all of this emotional and physical pain Then I discovered the Paleo diet A naturopath and good friend of mine told me that I should change my diet to in a nutshell cut all grains sugar and dairy intake The first thing I realized was that was basically like changing everything I ate all day everyday This was my second life changer Within the first month I went into remission from my flare ups and my pain although still there had subsided substantially I was able to exercise again and I was given hope and a positive outlook on life again Now I ve been in remission for over 2 years plus my pain is gone I ve lost a lot of weight and I have more energy to spend time with my kids than I ever thought possible The Modern Caveman series is meant to make the Paleo Lifestyle an easy lifestyle to follow It doesn t have to be as difficult for you as it was for me I documented these recipes as a mother on a budget with an expensive palette on an expensive diet who had very little time to cook These recipes are what I use to eat the foods I grew up loving while staying on the diet I ended up needing I hope you enjoy them as much as I do Check out my whole series and purchase your copies today I ve also released combo books so you can save by purchasing multiple books from the series
