minister Rastrelli sought to reconcile his homosexuality and childhood sexual abuse When he felt called to the priesthood Rastrelli began the process of priestly discernment Priests welcomed him into a confusing clerical culture where public displays of piety celibacy and homophobia masked a closeted underworld in which elder priests preyed upon young recruits From there he ventured deeper into the seminary system seeking healing hoping to help others and striving not to live a double life Trained to treat sexuality like an addiction he and his brother seminarians lived in a world of cliques competition self loathing alcohol hidden crushes and closeted sex Ultimately the formation intended to make Rastrelli a compliant priest helped to liberate him

**Cohesion and Dissolution** Ingo Rohrer, 2013-11-26 The apocryphal story of punk and hardcore is narrated as a history of young rebels united by shared interests values and a sense of equality Through the example of the scene of Buenos Aires Ingo Rohrer demonstrates that this unity is fragile and requires different practices of maintenance to ensure the cohesive continuity of the community Friendship is the focus of these efforts but at the same time it is also a point of vulnerability where the group's dissolution and disappointment about the scene germinates Ingo Rohrer examines how a local scene's quest for cohesion is concurrent with tensions and contradictions Beyond the attention put on the friendship in the local scene the author asks what role friendships play in the local life world of neighborhoods and in the globalized punk and hardcore scene Based on rich empirical data the author suggests new perspectives on group processes and local transnational relations with relevance far beyond the realm of these vibrant music scenes

*Spartacus International Gay Guide*, 2006 **Straight Edge** Ross

Haenfler, 2006-06-09 Straight edge is a clean living youth movement that emerged from the punk rock subculture in the early 1980s. Its basic tenets promote a drug free tobacco free and sexually responsible lifestyle tenets that on the surface seem counter to those typical of teenage rebellion. For many straight edge kids however being clean and sober was and still is the ultimate expression of resistance resistance to the consumerist and self indulgent ethos that defines mainstream U S culture. In this first in depth sociological analysis of the movement Ross Haenfler follows the lives of dozens of straight edge youths showing how for these young men and women and thousands of others worldwide the adoption of the straight edge doctrine as a way to better themselves evolved into a broader mission to improve the world in which they live. Straight edge used to signify a rejection of mind altering substances and promiscuous sex yet modern interpretations include a vegetarian or vegan diet and an increasing involvement in environmental and political issues. The narrative moves seamlessly between the author's personal experiences and theoretical concerns including how members of subcultures define resistance the role of collective identity in social movements how young men experience multiple masculinities in their quest to redefine manhood and how young women establish their roles in subcultures. This book provides fresh perspectives on the meaning of resistance and identity in any subculture. [The Feminist Porn Book](#) Tristan Taormino, Constance Penley, Celine Shimizu, Mireille Miller-Young, 2013-02-19 The Feminist Porn Book celebrates the power of desire turning the spotlight on an industry where feminism is thriving.
