But it's been a long time since he's had a meaningful conversation with another person, and something about her reminds him of what his life was like before the curse ruined his life. Dare he take the chance of opening himself up to her and potentially risk losing another wife, or should he keep his distance in order to keep her safe?

Fleeing from her parents' killers, she disguises herself as Billy Ingram and leaves the big city Virginia life to work on a remote farm out in the middle of nowhere North Dakota, where the handsome but aloof Chad Walker hires her as a farmhand. Between trying to prove that she can handle the more demanding farm chores and trying to fit in with the other farmhands, she has her work cut out for her. Then one morning Chad discovers she's a woman, so she quickly makes up the excuse that Billy's sister Kate decided to come by for a visit. That's when things really get interesting. Lacy Montgomery is in love with Billy, and nothing disgusts the woman. The farmhands are in love with Kate. She's in love with Chad, who may or may not love her back. Her brother, the real Billy, shows up, and she's forced to don another female disguise to ward off Lacy. Altogether, among the laughter and constant costume changes, Kate might discover that the most unlikely place for love is the perfect place after all.
