The Music Documentary Benjamin Halligan, Robert Edgar, Kirsty Fairclough-Isaacs, 2013-06-26 The Music Documentary offers a wide range of approaches across key moments in the history of popular music in order to define and interrogate this prominent genre of film making The writers in this volume argue persuasively that the music documentary must be considered as an essential cultural artefact in documenting stars and icons and musicians and their times particularly for those figures whose fame was achieved posthumously In this collection of fifteen essays the reader will find comprehensive discussions of the history of music documentaries insights in their production and promotion close studies of documentaries relating to favourite bands or performers and approaches to

questions of music documentary and form from the celluloid to the digital age The Enemy in the Bush Derrick C. Darden PhD,2020-11-09 VETERAN LEADERSHIP EMPOWERMENT The Enemy in the Bush is a book that takes you through an adventure and journey of one s man s life from growing up in the ghetto of Newark New Jersey to becoming a decorated military veteran of more than 22 years In it he shares how he navigated a multitude of life challenges and consciously determined what direction his life would take and how he was going to be purposeful on this earth how he would discover and fulfill his destiny Derrick has always believed that you determine your destiny on this earth And that it is our determination to overcome life s challenges that dictates how we live our lives how we conduct ourselves in every situation Unfortunately many of us have not developed the discipline and life skills that are required to overcome adversity thereby limiting our ability to accomplish our major life goals He however has learned that when we are willing to look within ourselves for answers rather than becoming fixated on our current circumstances and areas in which there appears to be a lack we automatically empower ourselves to find greater inner strength and hope Most importantly we get to a place where it is impossible for us to find excuses for not achieving our goals due to external factors Instead we begin to see that the true Enemy in the Bush is our internal demons negative thinking and other limitations that we place on our ourselves By sharing his life story and Five Key Principles that have helped him successfully navigate life s challenges and accomplish many of his major life goals his hope is that this book will equip you with the ability to identify and conquer the Enemy in the Bush at every stage of your life *Cadences* Sandee Shaffer Johnson,1986-09 *Gung-ho* ,1985 **Introduction to Documentary, Third Edition** Bill Nichols,2017-03-27 The third edition of Bill Nichols s best selling text provides an up to date introduction to the most important issues in documentary history and criticism A new chapter I Want to Make a Documentary Where Do I Start guides readers through the steps of planning and preproduction and includes an example of a project proposal for a film that went on to win awards at major festivals Designed for students in any field that makes use of visual evidence and persuasive strategies Introduction to Documentary identifies the genre s distinguishing qualities and teaches the viewer how to read documentary film Each chapter takes up a discrete question from How did documentary filmmaking get started to Why are ethical issues central to documentary filmmaking Here Nichols has fully rewritten each chapter for greater clarity and ease of use including revised discussions of earlier films and new commentary on dozens of recent films from The Cove to The Act of Killing and from Gasland to Restrepo **Documentary Media** Broderick Fox,2015-10-16 Documentary Media History Theory Practice facilitates the study of documentary media its changing forms and diverse social functions Fox provides balanced and accessible coverage of the historical critical and the practical aspects of documentary media without mandating specialized skills sets in students or access to costly technology For practitioners and students alike Documentary Media lays out fundamental concepts and production processes needed to contribute to the contemporary production of non fiction media in the digital age Each chapter engages students by challenging traditional

assumptions about documentary form and function posing critical and creative questions and offering historical and contemporary examples Additionally each chapter closes with an Into Practice section that assists readers in applying the chapter's concepts Fox aims to help the student establish a complete treatment aesthetic plan and pre production strategy for their own documentary project

Breaking the Silence Ted Barris, 2011-10-10 Never talked about it That's what most people say when they're asked if the veteran in the family ever shared wartime experiences Describing combat imprisonment or lost comrades from the World Wars the Korea War or even Afghanistan is reserved for Remembrance Day or the Legion lounge Nobody was ever supposed to see them get emotional show their vulnerability Nobody was ever to know the hell of their war About 25 years ago Ted Barris began breaking through the silence Because of his unique interviewing skills he found that veterans would talk to him set the record straight and put a face on the service and sacrifice of men and women in uniform As a result of his work on 15 previous books Barris has earned a reputation of trust among Canada's veterans Indeed over the years nearly 3 000 of them have shared their memories all offering original material for his books Among other revelations in *Breaking the Silence* veterans of the Great War reflect on an extraordinary first Armistice in 1918 decorated Second World War fighter pilots talk about their thirst for blood in the sky Canadian POWs explain how they survived Chinese attempts to brainwash them during the Korean War and soldiers with the Afghanistan mission talk about the horrors of the friendly fire incident near Kandahar *Breaking the Silence* is a ground breaking book that goes to the heart of veterans war time experiences
