Runes for Beginners Lisa Chamberlain (Witch), 2018-05-23 Everything You Need to Know to Begin Working With Runes

The enigmatic nature of the runes is undeniable In fact the English word rune comes to us from the Norse word runa which means a secret or to whisper As symbols the runes mean little to the untrained eye yet the magical energies they activate can be used for positive impactful change in your everyday life But what are runes exactly On the surface level runes are the characters in a writing system used by the ancient Germanic peoples of Europe But unlike our modern letters the runic symbols had been used for magical purposes long before they were fashioned into an alphabet This is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries Indeed those who work with the runes today are taking part in an age old magical tradition established by our Northern European pagan ancestors In *Runes for Beginners* best selling author Lisa Chamberlain shines the light on these ancient symbols showing you how to discover and utilize their unique magical energies With both an eye toward tradition and a multicultural spirit Lisa combines an appreciation for the Germanic roots of the runes with a more eclectic Neopagan approach Unlike many other books on the topic *Runes for Beginners* is completely accessible to those with no experience in Northern European magical traditions yet it doesn't ignore those traditions altogether You will emerge from this guide with a basic understanding of the runes role in ancient Germanic paganism as well as a solid foundation of knowledge to build your own runic practice regardless of your religious or spiritual path

Foundations in Runic Magic and Divination The runes represent various aspects of the human experience of the Universe both tangible and intangible Each runic symbol embodies a natural force or type of energy which the rune worker can attune to and then manipulate in various ways Runes can be sent out into the Universe to manifest a magical goal or they can be used to consult with the unseen realms about a situation at hand In *Runes for Beginners* you'll learn all you need to know to start working with runes including
