**Running with Scissors** L.A. Witt, 2018-06 Eighteen months ago drummer Jude Colburn made the biggest mistake of his life when he walked away from his band just as they were on the brink of success Now he's got a second chance The band's bassist just quit and Jude plays bass almost as well as he plays drums The other band members aren't thrilled but they are desperate Running with Scissors needs him but there's one condition no hooking up with bandmates That's what ruined things eighteen months ago after all Jude's on board but no one warned him about the drummer who replaced him A J Palmer is shy and unassuming until he hits the stage He gets Jude's attention from the first beat and suddenly that no hookups rule isn't so easy to follow Keeping secrets on a tour bus isn't easy either and it's only a matter of time before the band catches on When everything hits the fan Jude has to choose a second chance at the career he's always regretted leaving or a shot at the man of his dreams This 82 000 word novel was previously published

*Dry* Augusten Burroughs, 2013-04-23 The Tenth Anniversary Edition of the New York Times bestselling book that has sold over half a million copies in paperback I was addicted to Bewitched as a kid I worshipped Darren Stevens the First When he'd come home from work and Samantha would say Darren would you like me to fix you a drink He'd always rest his briefcase on the table below the mirror in the foyer wipe his forehead with a monogrammed handkerchief and say Better make it a double from Chapter Two You may not know it but you've met Augusten Burroughs You've seen him on the street in bars on the subway at restaurants a twentysomething guy nice suit works in advertising Regular Ordinary But when the ordinary person had two drinks Augusten was circling the drain by having twelve when the ordinary person went home at midnight Augusten never went home at all Loud distracting ties automated wake up calls and cologne on the tongue could only hide so much for so long At the request well it wasn't really a request of his employers Augusten lands in rehab where

his dreams of group therapy with Robert Downey Jr are immediately dashed by grim reality of fluorescent lighting and paper hospital slippers But when Augusten is forced to examine himself something actually starts to click and that's when he finds himself in the worst trouble of all Because when his thirty days are up he has to return to his same drunken Manhattan life and live it sober What follows is a memoir that's as moving as it is funny as heartbreaking as it is true *Dry* is the story of love loss and Starbucks as a Higher Power      Summary of Augusten Burroughs's *Running with Scissors* Everest
