Warren, the Man, the Court, the Era John Downing Weaver, 1967 Written with many quotations from Chief Justice Earl Warren and about the Chief Justice this book thus leans on the evidence to show how Warren has grown in mental stature and liberal convictions in his Court job but also to show that the seeds of Warren's concern for justice and for the individual were planted in Warren's mind in his early childhood **Hearings, Reports and Prints of the House Select Committee on Assassinations** United States. Kennedy and the Bicentennial created conflicting visions of the recent and more distant American past Drawing on a wide range of primary documents Joshua Glick analyzes the films of Hollywood documentarians such as David Wolper and Mel Stuart along with lesser known independents and activists such as Kent Mackenzie Lynne Littman and Jesús Salvador Treviño While the former group reinvigorated a Cold War cultural liberalism the latter group advocated for social justice in a city plagued by severe class stratification and racial segregation Glick examines how mainstream and alternative filmmakers turned to the archives civic institutions and production facilities of Los Angeles in order to both change popular understandings of the city and shape the social consciousness of the nation The Posner Files Gerald Posner, 2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author Case Closed A Pulitzer Prize finalist and New York Times bestseller Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Review Killing the Dream On April 4 1968 Martin Luther King Jr was killed in Memphis Tennessee by a single assassin s bullet James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot An international manhunt ended two months later with Ray s capture Though Ray initially pled guilty he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy In Killing the Dream expert investigative reporter Gerald Posner cuts through phony witnesses false claims and a web of misinformation to put Ray s conspiracy theory to rest and disclose what really happened the day King was murdered A superb book a model of investigation meticulous in its discovery and presentation of evidence unbiased in its exploration of every claim And it is a wonderfully readable book as gripping as a first class detective story The New York Times

Fake News Nation James W. Last Word Mark Lane, 2011-11-01 Mark Lane tried the only U S court case in which the jurors concluded that the CIA plotted the murder of President Kennedy but there was always a missing piece How did the CIA control cops and secret service agents on the ground in Dealey Plaza How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA Now New York Times best selling author Mark Lane tells all in this explosive new book with exclusive new interviews sworn testimony and meticulous new research including interviews with Oliver Stone Dallas Police deputy sheriffs Robert K Tanenbaum and Abraham Bolden Lane finds out first hand exactly what went on the day JFK was assassinated Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID Yet the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza The Last Word proves that the CIA operating through a secret small group prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there conclusive evidence of the CIA s involvement in the assassination

The Girl on the Stairs Barry Ernest, 2011-03 On November 22 1963 a young Victoria Elizabeth Adams stood behind a fourth floor window of the Texas School Book Depository in Dallas She watched as John Kennedy was murdered in the streets below Then with a co worker in tow she ran down the back stairs of the building in order to get outside and determine what had happened At that precise moment her life changed forever Her actions posed serious problems for the Warren Commission already grappling with its agenda of naming Lee Harvey Oswald as the lone assassin If Miss Adams was telling the truth then she had descended those stairs at the same time Oswald would have been on them as he made his escape from the sixth floor sniper s nest Yet Miss Adams saw no one And even though the stairs were old wooden and creaky under any weight she heard no one either When Miss Adams was called to testify before a Commission attorney she was quickly discredited humiliated and eventually branded a liar Behind closed doors she pleaded with the government to conduct time tests of her actions if she was felt to have been inaccurate She begged the government to question her co workers particularly the woman who had accompanied her down the stairs if she was not believed Instead she was ignored And so knowing the truth of what she had done and now fearing for her life because of it she went into hiding and became willing to die with that secret knowledge Intrigued by what little was available about Miss Adams the author went in search of her It took him 35 years to eventually find this elusive

witness As his journey progressed many questions arose about the assassination while others were put to rest And in the end the truth of what Miss Adams did was finally discovered This is an important story unique in this mess that continues to surround Kennedy s death It is a story that has been buried for decades It is an account the government did not want you to hear and actually fabricated evidence in order to keep you from hearing it Now the truth can be told **Covering the Body** Barbie Zelizer,1992-10-15 Covering the Body the title refers to the charge given journalists to follow a president is a powerful reassessment of the media s role in shaping our collective memory of the assassination at the same time as it used the assassination coverage to legitimize its own role as official interpreter of American reality Of the more than fifty reporters covering Kennedy in Dallas no one actually saw the assassination And faced with a monumentally important story that was continuously breaking most journalists had no time to verify leads or substantiate reports Rather they took discrete moments of their stories and turned them into one coherent narrative blurring what was and was not professional about their coverage
