Brainless Sameness Bob Sornson, 2018-08-16 This book offers a careful look at how we came to have our traditional education system and how it met the needs of a different time. By looking back at the past we can take on the task of change without casting blame but with understanding. We will consider the systems design of the curriculum driven one size fits all educational model why it no longer meets our needs and how to devise a system which can deliver a better future for our children and for ourselves as educators.

Snapshots of School Leadership in the 21st Century Michele A. Acker-Hocevar, Gary Ivory, A. William Place, Julia Ballenger, Ph.D., 2012-08-01 In the book we provide snapshots describing this critically important time in our nation when federal educational policy implementation has been at a level previously unheard of in the United States. We present a chapter on the design and method of Voices 3 eight chapters on analyses of the focus group discussions and two invited chapters that provide a review and critique of our work. The chapters will be excellent resources for professors of educational leadership as we respond to the changing environment and improve preparation programs for superintendents and principals. We also see the book as a good resource for practitioners who desire to take the pulse of their colleagues in the field to see common concerns across various issues. Finally it will be useful to policy makers as they consider the impact of their decisions on the implementation phases in districts and schools. With this book you are receiving access to the 27 focus group transcripts on which the chapters are based. Instructors of qualitative research may find these data useful in their classes e.g. for students to practice different types of data analysis and coding.
