*Packed by the Alpha (BBW Shifter Paranormal Romance Mystery)* Ali Beckett, 2016-06-09 *Packed by the Alpha Part 1* Kate Langdon's family has been living within Shady Coast Territory as guests of the ruling wolf pack since the abduction of their father and his best friend the Alpha of the pack five years ago. Being the only humans allowed within the Territory, Kate's family has learned to adapt to the pack's strict rules for the family's protection against the unknown enemy. Kate's only solace from the strange life of the pack is the time she spends running on the beach at the edge of Shady Coast Territory. But with that solace comes a price, and the only thing keeping her away from the same fate as her father and the pack's Alpha is the one person she should be most afraid of: the gorgeous but formidable Regent Alpha Beau Maddox. He's the last person she wants to trust but the first person she needs to if she chooses to submit to her own fate, her fated mate. But as luck would have it, she's not free to make that choice without hurting someone else, and Kate must decide if her heart or her fate will win in the end. *Before her luck runs out.*
