Pentecost Craft Children:

The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today. *Celebrating the Catholic Home: Traditions and Rituals for Every Holiday and Feast Day* Clay McCall, 2025-04-04 In a world where traditions often get lost in the hustle and bustle of modern life, rediscovering the rich tapestry of Catholic customs can bring a profound sense of connection and meaning to our daily lives. This book serves as a guide to enriching your family's spiritual journey by celebrating the timeless traditions and rituals associated with every Catholic holiday and feast day. From Advent wreaths to Easter vigils and from saints' feast days to ordinary Sundays, this book covers a wide array of practices that have been cherished by Catholic families for generations. Each chapter delves into the historical and spiritual significance of these traditions, offering practical advice on how to incorporate them into your home. Whether it's crafting a nativity scene with your children, preparing a special meal for All Saints Day, or understanding the liturgical importance of different feast days, this book provides the tools and inspiration you need. One of the central challenges many Catholic families face today is preserving their spiritual heritage amidst a rapidly changing world. This book addresses that problem head-on by offering creative and manageable ways to maintain these traditions.

Will Our Children Have Faith? John H. Westerhoff, 2012-08-01 This classic critique of Christian education is revised, expanded, and includes Westerhoff's overview on the state of Christian education over the past forty years. According to Westerhoff, instead of guiding faith formation within the family, the church, and the school, we relegate religious education to Sunday morning classes. There, children learn the facts about religion, but how will they learn or experience faith? How can we nourish and nurture the faith of children instead of only teaching the facts?
