Police Dept, 1910 Murder International, Inc., Murder and Kidnapping as an Instrument of Soviet Policy United States. Congress. Senate. Judiciary, 1965 Submerged: How a Cold Case Condemned an Innocent Man to Hide a Family's Darkest Secret Hillel Levin, 2024-11-19 This bombshell investigation from the co author of *Black Bird* reveals a cold case gone wrong that cleared a murderer and imprisoned an innocent man In March 1993 sixteen year old Rayna Rison was abducted outside the La Porte Indiana veterinary hospital where she worked A month later her body was found submerged under tree limbs in a rural pond Police targeted her brother in law Ray McCarty as the prime suspect Although a grand jury indicted him for the murder in 1998 prosecutors later dropped the charges Then in 2013 county officers arrested Jason Tibbs Rayna s middle school boyfriend convicted him and sentenced him to forty years in prison After a two year investigation drawing on dozens of interviews and more than a thousand pages of police files author Hillel Levin completes the case against McCarty following clues and leads that detectives overlooked In the process he reveals startling new information about the killer s murder weapon and accomplices and uncovers the politics and misconduct that enabled the prosecutor to convict Jason Tibbs Although cold cases are celebrated in popular culture Jason s

trial shows the perils they can pose for innocent defendants At the heart of *Submerged* is the tragic story of Rayna Rison an exceptional young woman with a promising future whose family and justice system failed to keep her from harm Ironically the person now held accountable for her murder is the friend she most saw as her protector *Murder in the Métro* Gayle K. Brunelle, Annette Finley-Croswhite, 2010-05 On the evening of May 16 1937 the train doors opened at the Porte Dorée station in the Paris Métro to reveal a dying woman slumped by a window an eight inch stiletto buried to its hilt in her neck No one witnessed the crime and the killer left behind little forensic evidence This first ever murder in the Paris Métro dominated the headlines for weeks during the summer of 1937 as journalists and the police slowly uncovered the shocking truth about the victim a twenty nine year old Italian immigrant the beautiful and elusive Laetitia Toureaux Toureaux toiled each day in a factory but spent her nights working as a spy in the seamy Parisian underworld Just as the dangerous spy Mata Hari fascinated Parisians of an earlier generation the mystery of Toureaux's murder held the French public spellbound in pre war Paris as the police tried and failed to identify her assassin In *Murder in the Métro* Gayle K. Brunelle and Annette Finley-Croswhite unravel Toureaux's complicated and mysterious life assessing her complex identity within the larger political context of the time They follow the trail of Toureaux's murder investigation to the Comité Secret d'Action Révolutionnaire a secret right wing political organization popularly known as the Cagoule or hooded ones Obsessed with the Communist threat they perceived in the growing power of labor unions and the French left wing the Cagoule's leaders aimed to overthrow France's Third Republic and install an authoritarian regime allied with Italy With Mussolini as their ally and Italian fascism as their model they did not shrink from committing violent crimes and fomenting terror to accomplish their goal In 1936 Toureaux at the behest of the French police infiltrated this dangerous group of terrorists and seduced one of its leaders Gabriel Jeantet to gain more information This operation the authors show eventually cost Toureaux her life The tale of Laetitia Toureaux epitomizes the turbulence of 1930s France as the country prepared for a war most people dreaded but assumed would come This period therefore generated great anxiety but also offered new opportunities and risks to Toureaux as she embraced the identity of a modern woman The authors unravel her murder as they detail her story and that of the Cagoule within the popular culture and conflicted politics of 1930s France By examining documents related to Toureaux's murder documents the French government has sealed from public view until 2038 Brunelle and Finley-Croswhite link Toureaux's death not only to the Cagoule but also to the Italian secret service for whom she acted as an informant Their research provides likely answers to the question of the identity of Toureaux's murderer and offers a fascinating look at the dark and dangerous streets of pre World War II Paris **Police Encounters** Ilana Feldman, 2015-05-13 Egypt came to govern Gaza as a result of a war a failed effort to maintain Arab Palestine Throughout the twenty years of its administration 1948-1967 Egyptian policing of Gaza concerned itself not only with crime and politics but also with control of social and moral order Through surveillance interrogation and a network of local informants the police extended their reach across the

public domain and into private life seeing Palestinians as both security threats and vulnerable subjects who needed protection Security practices produced suspicion and safety simultaneously Police Encounters explores the paradox of Egyptian rule Drawing on a rich and detailed archive of daily police records the book describes an extensive security apparatus guided by intersecting concerns about national interest social propriety and everyday illegality In pursuit of security Egyptian policing established a relatively safe society but also one that blocked independent political activity The repressive aspects of the security society that developed in Gaza under Egyptian rule are beyond dispute But repression does not tell the entire story about its impact on Gaza Policing also provided opportunities for people to make claims of government influence their neighbors and protect their families

Crime and Justice in the United States and in England and Wales, 1981-96 Patrick A. Langan, David P. Farrington, 1998 *31 Murders* Alvin A.J. Esau, 2024-02-20 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926-27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints

The Dark Corners of the Lindbergh Kidnapping Michael Melsky, 2021-09-20 This volume of *The Dark Corners* is not unlike the previous three As with the others you will find information here not found anywhere else This volume is slightly different though with much attention given to what I consider leftovers and loose ends I have also addressed some additional aspects of the Lindbergh kidnapping in which many have expressed interest This includes a chapter on the spy Jacob Nosovitsky and one on Violet Sharp a topic that I have avoided until now
