

Polo English Edition

**Karl Forster, Amadeus Danesitz, Astrid
Dobmeier, Alex Wulkow**

Polo English Edition:

Marco Polo's China Stephen G. Haw, 2006-11-22 Marco Polo's famous book about his journey to China written in 1298 continues to be a subject of considerable controversy. One recent work on the subject argues that Marco Polo never went to China at all and other scholars have pointed out apparent mistakes and important omissions in Marco's writings including his failure to mention the Great Wall and his apparently erroneous description of the course of the Yellow River. Haw re-examines Marco Polo's writings. The main arguments against his credibility have been negative, concentrating on things that it is argued he should have seen and noted but did not. The most serious of these supposed omissions are generally said to be his failure to describe the Chinese writing system, tea foot binding and the Great Wall of China. Yet Haw argues that what he does mention is impressive and argues strongly for his veracity. This book clarifies Marco Polo's itineraries in China and proposes several new identifications of places mentioned. Relying extensively on original Chinese sources and supplemented by Haw's wide knowledge of China, *Marco Polo's China* presents a convincing argument and concludes that his work is an accurate, important and useful source from an extraordinary period of Chinese history.

The Isma'ilis Farhad Daftary, 1992-04-24 Scattered across the globe, the Isma'ilis constitute the second largest Shi'i community in the Muslim World. This study traces their history and doctrinal developments from their origins to the present day over a period of twelve centuries.

Marco Polo's Book John Critchley, 2017-07-05 Marco Polo and his book may seem to have been well served by scholars yet the majority have been concerned to write about his travels in Asia, what he did or did not see and how useful he is as a source on the East. John Critchley's subject on the other hand is the text of Polo's book itself and the political and ideological context: the crusades, the Mongol missions, the French presence in Italy in which it was put together by its author's and read by its audience. The homogeneity of the original Franco-Italian text and the accepted relationship between this text and the Latin recensions is tested by computer analysis. An examination of vocabulary and other textual features draws out the different attitudes and contributions of Polo himself and his various editors and translators. Critchley's book will be of interest not only to those concerned with the history of later medieval Europe but also to specialists in medieval Asia who will find it useful to know about the background and composition of so famous and frequently cited a work. On pourrait penser que Marco Polo et son livre ont été battus par les spécialistes en la matière, cependant la majorité a surtout critiqué propos de ses voyages en Asie, ce qu'il avait ou n'avait pas vu et sur son utilité en tant que source de références sur l'Orient. Le sujet traité par John Critchley par contre est le texte même du livre de Polo, ainsi que le contexte politique et idéologique, les croisades, les missions mongoles, la présence française en Italie dans lequel il a été composé par son ou ses auteurs et dans lequel ses lecteurs ont pu le lire. L'homogénéité du texte franco-italien d'origine et le rapport accepté entre celui-ci et les versions latines ont été analysés par ordinateur. Un examen du vocabulaire et d'autres caractéristiques littéraires fait transparaître les différences d'attitudes et de contributions entre Polo.

The Every-day Book of Modern Literature Compiled and Edited by the Late George H.

Townsend ,1879* Marco Polo's Asia Leonardo Olschki,2024-03-29 An overview of Marco Polo s book called Description of the World Il Milione in Italian It places Il Milione in historical context and with details of Marco Polo s life This title was originally published in 1960 An overview of Marco Polo s book called Description of the World Il Milione in Italian It places Il Milione in historical context and with details of Marco Polo s life This title was originally published in 1960 *The Living Age* ,1872 *Littell's Living Age* ,1872 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1872 *The Library Companion ... Second Edition* Thomas Frognall Dibdin,1825 The Every-day Book of Modern Literature a Series of Short Readings from the Best Authors Compiled and Edited by the Late George H. Townsend George Henry Townsend,18?? 51 *Great Books You Should Have Read (and probably didn't)* George Walsh,2018-11-23 Simple words have had the most profound effect on the world its history literature art science religion and economics To know and to have read the great masters is to understand and appreciate the complex interaction of world events as they unfold 51 Great Books You Should Have Read and probably didn't is the first attempt to organize the great literature both fiction and non fiction in such a way as to demonstrate their world wide impact This invaluable book is a selection of 51 seminal works and a fascinating peep into the beliefs teachings and thought process of some of the greatest and the finest minds who ever walked this planet Every attempt has been made to introduce readers to books and literature that is international in scope and spans the centuries The works included are from Homer s The Iliad Plato s The Republic and Mahabharata to Nelson Mandela s The Long Walk to Freedom and Alan Turing s On Computable Numbers The works chosen are not necessarily the most famous nor are their authors Rather they represent seminal works masterpieces that every educated individual should have at least some familiarity with In a few short pages you will learn about the authors their background and influences as well as a good deal about the works themselves In many ways this is a very sophisticated book with many important topics but it is presented in an easy to read reference style *Genoese World Map, 1457, Facsimile and Critical Text Incorporating in Free Translation the Studies of Professor Theobald Fischer ...* Edward Luther Stevenson,Theobald Fischer,1912 *Distant Lands and Diverse Cultures* Glenn J. Ames,Ronald S. Love,2003-07-30 Utilizing contemporary accounts of India China Siam and the Levant this study provides rich detail about these exotic lands and explores the priorities that shaped and motivated these bold envoys and chroniclers Ames and Love offer a fascinating look at the symbiotic nature of cross cultural interaction between France and the major trading regions of the Indian Ocean basin during the 17th century During this period of intense French interest in the rich trade and cultures of the region Louis XIV and his minister Jean Baptiste Colbert in particular were concerned with encouraging French travelers both clerical and lay to explore and document these lands Among the accounts included here are those of Fran ois Bernier Jean Baptiste Tavernier and Fran ois Pyrard Because these accounts reflect as much about the structures and priorities of France as they do about the cultures they describe Ames and Love hope their analysis bridges the gap between studies on early modern France and those on the major Asiatic countries of the same period

Their findings challenge the current thinking in the study of early modern France by demonstrating that overseas expansion to Asia was of considerable importance and interest to all segments of French society. Specialists in traditional internal French history will find much in this study of European expansion to complement and supplement their research.

Catalogue of Printed Books British Museum. Department of Printed Books, 1903 Iran and The West Cyrus Ghani, 2013-09-05 First Published in 1987 this volume offers a bibliography of biographies autobiographies and books on contemporary politics by prominent 20th century figures on the topic of Iran **The Geographical Journal**, 1928 *The Every-Day Book of Modern Literature* George H. Townsend, 2023-11-20 Reprint of the original first published in 1875

Bulletin of the Public Library of the City of Boston Boston Public Library, 1875 **Dresden Marco Polo Guide** Marco Polo, 2014-05-28 Most travellers want to have fun and feel relaxed from the moment they arrive at their holiday destination that's what Marco Polo Guides are all about.
