Deconstructing Heterosexism in the Counseling Professions James M Croteau, Julianne S Lark, Melissa A Lidderdale, Y. Barry Chung, 2004-08-03 Until recently the lives and issues of Lesbian Gay and Bisexual LGB people have been rendered largely invisible in the larger society and in the counseling professions LGB affirmative counseling professionals are no longer without voice however the stories of navigating sexual orientation as counseling professionals have not be told or explored in any systematic way Deconstructing Heterosexism in the Counseling Professions uses the personal narratives of lesbian gay bisexual and heterosexual counseling psychologists and counselor educators to deconstruct the heterosexist discourse in the counseling professions envision a discourse of sexual orientation equity and make practical suggestions for addressing sexual orientation in professional life The narrative approach encompasses a diversity of stories and experiences including an emphasis on racial and cultural contexts These narratives and their analyses serve as a means for the individual and collective self examination that is needed to move LGB affirmative practice training and scholarship from the margins to the center of what it means to be a counseling professional Key Features Rather than a focus on how to the focus is on stimulating collective and individual self examination and providing empowerment and guidance to counseling professions in navigating sexual orientation in one s professional life This book exposes and challenges the heterosexist discourse in the counseling professions AND examines how to build the strength and complexity of the current LGB affirmative counter discourse in the counseling professions The chapters in the second section of the book provide unique treatments of difficult issues for counseling professionals concerning sexual orientation tensions between race and sexual orientation and issues around openness versus other ways to manage a minority sexual identity The book is authored by over 30 counseling professionals and contains narratives about the experiences of over 20 professionals many of

whom are well known in the LGB affirmative counseling and in the larger fields of counseling psychology and counselor education *Deconstructing Heterosexism in the Counseling Professions* will be essential reading for graduate students practitioners and faculty who are interested in issues of sexual orientation and are in counseling psychology and or the many sub specialties of counseling It will also be of interest to counseling professionals whose primary interest may lie in other issues of diversity particularly the multicultural and feminist professional communities *Integrating Traditional Healing Practices Into Counseling and Psychotherapy* Roy Moodley, William West, 2005-04-20 This book seeks to define redefine and identify indigenous and traditional healing in the context of North American and Western European health care particularly in counseling psychology and psychotherapy

College Drinking George W. Dowdall, 2023-07-03 Drinking is recognized as one of the most important problems confronting students on campus today with major impacts on health and safety This book answers crucial questions about why students drink examines its complex links to campus crime and sexual assault and offers new insights on how to address the issue It differs from other studies of college drinking by dispelling the myth that the problem is universal Dowdall s research reveals that the incidence of alcohol abuse varies enormously between colleges and in doing so identifies interventions and policies that have been effective and those that have failed His study is also unique in looking upstream at the broader cultural organizational and social forces that shape this behavior where most studies focus only on downstream behaviors well after students have selected their college and have started drinking Students and parents can take action to lower the risk of binge drinking by following the book s recommendations and consulting the data it provides about alcohol violations and crime at thousands of colleges For administrators and student

affairs personnel it both defines and illuminates the issue and outlines effective interventions *Culture and Disability* John H.
