Peer Pressure Word Search Activities:

Word Search Puzzles to Keep You Sharp Mark Danna, 2003-09 You'll need an eagle eye to complete these 60 challenging themed word searches. White on Schedule contains words of things that are white such as mashed potatoes and underwear. Some of the grids break out of the traditional box. Off and Running is shaped like a horse and contains references to horse racing while Give me a Break is mug shaped with words and phrases associated with coffee. There are puzzles to challenge your thinking skills. To complete Bad Ideas for Movie Sequels you'll need your knowledge of movies as well as your sense of humor and for Abbreviations you'll need to decipher abbreviations to come up with the word list. In Black Hole puzzles the letters in the center of the grid are missing and once you've figured out what they are they'll spell out a quip. A fun way to sharpen your powers of observation.
