From Canton Restaurant to Panda Express Haiming Liu, 2015-09-09 The story of Chinese Americans through the lens of food From Canton Restaurant in 1849 to Panda Express today Chinese food history in America spans over 150 years Chinese Forty niners were mostly merchants and restaurateurs who migrated here not to dig gold but to do trade Racism against the Chinese slowed down the growth of the Chinese restaurant business in the late 19th century but it made a rebound in the format of chop suey From 1900 to the 1960s chop suey as imagined authentic Chinese food attracted numerous American customers including Jewish Americans as its collective fan Then the real Chinese food such as Hunan Sichuan or Shanghai cuisine replaced chop suey houses in the 1970s following the arrival of new Chinese immigrants after immigration reform in 1965 Those regional flavored Chinese restaurants were brought in and established by immigrants from Taiwan rather than mainland China As Chinese restaurants in America turned Chinese in flavor P F Chang s and Panda Express rose fast in the 1990s to meet the need of constantly changing and often multi ethnically blended eating habits of American customers Chinese food in America is a fascinating history about both Chinese and Americans Embedded in this history is the story of human migration culinary tradition racial politics ethnic identity cultural negotiation Chinese Diaspora and transnational life and Chinese cuisine as a global food Though a scholarly work this book aims at all readers who are interested in food history and culture Provided by publisher

Chop Fry Watch Learn Michelle T. King,2024-05-07 A New York Times Book Review Editors Choice This delicious book is a must read for cooks and food lovers Lizz Schumer People A spirited new history of Chinese food told through an account of the remarkable life of Fu Pei mei the woman who brought Chinese cooking to the world In 1949 a young Chinese housewife arrived in Taiwan and transformed herself from a novice to a natural in the kitchen She launched a career as a cookbook author and television cooking instructor that would last four decades Years later in America flipping through her mother's copies of Fu Pei mei's Chinese cookbooks historian Michelle T King discovered more than the recipes to meals of her childhood She found in Fu's story and in her food a vivid portal to another time when a generation of middle class female home cooks navigated the tremendous postwar transformations

taking place across the world In Chop Fry Watch Learn King weaves together stories from her own family and contemporary oral history to present a remarkable argument for how understanding the story of Fu s life enables us to see Chinese food as both an inheritance of tradition and a truly modern creation influenced by the historical phenomena of the postwar era These include a dramatic increase in the number of women working outside the home a new proliferation of mass media the arrival of innovative kitchen tools and the shifting diplomatic fortunes of China and Taiwan King reveals how and why for audiences in Taiwan and around the world Fu became the ultimate culinary touchstone the figure against whom all other cooking authorities were measured And Fu s legacy continues Her cookbooks have become beloved emblems of cultural memory passed from parent to child wherever diasporic Chinese have landed Informed by the voices of fans across generations King illuminates the story of Chinese food from the inside at home around the family dinner table The result is a revelatory work a rich banquet of past and present tastes that will resonate deeply for all of us looking for our histories in the kitchen
